A directory then lists over 3500 vocational qualifications classified by professional and career area, giving details of type of qualification, title, level, awarding body and, where possible, the course code and content. The third section comprises a glossary of acronyms used together with a comprehensive list of awarding bodies, industry lead bodies, professional institutes and associations with their contact details. Section four is a directory of colleges offering vocational qualifications in the UK, arranged alphabetically by area. Finally, section five is an index of all qualifications listed alphabetically by title.
