Routledge Handbook of the International Relations of South Asia Sumit Ganguly, Frank O'Donnell, 2022-10-28 This handbook offers a comprehensive overview of the international relations of South Asia. South Asia as a region is increasingly assuming greater significance in global politics for a host of compelling reasons. This volume offers the most comprehensive collection of perspectives on the international politics of South Asia and it covers an extensive range of issues spanning from inter state wars to migration in the region. Each contribution provides a careful discussion of the four major theoretical approaches to the study of international politics: Realism, Constructivism, Liberalism, and Critical Theory. In turn, the chapters discuss the relevance of each approach to the issue area addressed in the book. The volume offers coverage of the key issues under four thematic sections: Theoretical Approaches to the Study of the International Relations of South Asia; Traditional and Emerging Security Issues in South Asia; The International Relations of South Asia; Cross cutting Regional Issues. Further, every effort has been made in the chapters to discuss the origins, evolution, and future direction of each issue. This book will be of much interest to students of South Asian politics, human security, regional security, and International Relations in general.

Routledge Handbook of Contemporary Bangladesh Ali Riaz, Mohammad Sajjadur Rahman, 2016-01-29 In the past decade, Bangladesh has achieved significant social and economic progress. Despite high population density, a limited natural resource base, underdeveloped infrastructure, frequent natural disasters, and political uncertainty, the country has recorded positive developments in terms of broad economic and social indicators. This Handbook presents a comprehensive and interdisciplinary resource on the politics, society, and economy of Bangladesh today. Divided into six thematic sections, the Handbook focuses on relevant issues and trends on: History and the making of contemporary Bangladesh; Politics and institutions; Economy and development; Energy and environment; State, society, and rights; Security and external relations. Written by a team of international experts in the field, the chapters provide an accessible and up-to-date insight into contemporary Bangladesh. The Handbook will be of interest to students and academics of South Asian studies, as well as policymakers, journalists, and others who wish to learn more about this increasingly important country.

Mapping Feminist International Relations in South Asia Shweta Singh, Amena Mohsin, 2024-12-30 This book provides a comprehensive overview of feminist international relations in South Asia. It highlights the key contentions, debates, and tensions in the field and studies how the trajectory of feminist international relations in the region has been marked by dialogue, dissidence, and difference with the Global North. In doing so, the volume draws attention to different feminist histories, herstories, and differing ways of knowing, seeing, and doing global politics. It particularly foregrounds a feminist intersectional postcolonial lens to a diverse range of issues such as women, peace, and the security agenda; populism and nationalism; militarism and militarisation; and underlines the rich, textured contours of feminist epistemologies in South Asia. An important contribution, the book will be of great interest to scholars, teachers, and students of feminism, international relations, postcolonialism, women's studies, gender studies, security studies, and South Asian studies.

Reframing Globalization After COVID-19 Pablo

Baisotti, Pierfrancesco Moscuza, 2022-10-15 The pandemic has deepened existing trends in the international system in particular the readjustment of alliances between nations and between regions As spheres of influence disintegrate and reform so national and regional security policies will change in unforeseen ways notwithstanding that individual state self preservation will dominate policy choice Three major dimensions are addressed The first dimension is International Relations and Economy The coronavirus has accelerated a global economic crisis comparable to those of 1929 1987 and 2008 Are the major economic trading blocs moving to a war economy and who might win or lose in this context The second dimension of analysis is the growth of Information Communication Hybrid and fragmented especially in terms of the use of social media the use of veiled threat and promoting discord in the form of providing provocative information on topics of the day can lead to conflict consequences and all its negative impacts The third dimension is Geopolitical Reconfiguration While world powers are always manoeuvring for an enhanced military and economic position the pandemic offers new opportunities to capitalise on the changing power balance The editors and contributors engage with the differing power polarities between China the United States India Brazil Russia and the European Union This book is one of the first to present research on the effects of COVID 19 on national public policy Cross cultural analysis of its effects and the way in which different societies have addressed the fight against the virus provides insight into the relations between states and possible solutions in the international arena The work is essential reading for all those involved in international affairs and policy making

Rohingya Refugee Crisis in Myanmar Kudret Bülbül, Md. Nazmul Islam, Md. Sajid Khan, 2022-01-03 This book discusses the current reality and the future of ethnic Rohingyas in Myanmar It presents Myanmar's history policy politics and most importantly while focusing on Rohingya ethnic conflict presents a resolution by looking at the global and regional policies and politics of South Asia and South East Asia The recent coup unfolded in Myanmar and the detention of the democratic leaders has surprised the world with its subsequent emergency declaration in 2021 thus making this book relevant and well timed Eventually the book offers an account of a previously little known yet much discussed role of media international actors human trafficking and humanitarian based resolution for Rohingya refugee crisis It shows a new perspective in the post Rohingya influx era of Bangladesh and the neighbouring countries
