Jeffery Deaver

Banished Surviving My Years In The Westboro Baptist Church Lauren Drain:

Banished Lauren Drain, 2013-03-05 Banished is an eye opening deeply personal account of life inside the cult known as the Westboro Baptist Church as well as a fascinating story of adaptation and perseverance You ve likely heard of the Westboro Baptist Church Perhaps you ve seen their pickets on the news the members holding signs with messages that are too offensive to copy here protesting at events such as the funerals of soldiers the 9 year old victim of the recent Tucson shooting and Elizabeth Edwards all in front of their grieving families The WBC is fervently anti gay anti Semitic and anti practically everything and everyone And they aren t going anywhere in March the U S Supreme Court ruled in favor of the WBC s right to picket funerals Since no organized religion will claim affiliation with the WBC it s perhaps more accurate to think of them as a cult Lauren Drain was thrust into that cult at the age of 15 and then spat back out again seven years later Lauren spent her early years enjoying a normal life with her family in Florida But when her formerly liberal and secular father set out to produce a documentary about the WBC his detached interest gradually evolved into fascination and he moved the entire family to Kansas to join the church and live on their compound Over the next seven years Lauren fully assimilated their extreme beliefs and became a member of the church and an active and vocal picketer But as she matured and began to challenge some of the church s tenets she was unceremoniously cast out from the church and permanently cut off from her family and from everyone else she knew and loved Banished is the story of Lauren s fight to find herself amidst dramatic changes in a world of extremists and a life in exile

Der böse Hirte Jeffery Deaver, 2022-03-14 Colter Shaw findet jede vermisste Person auch wenn es ihn selbst das Leben kosten k nnte Der zweite Band der spektakul ren neuen Thriller Reihe von SPIEGEL Bestsellerautor Jeffery Deaver Colter Shaw sp rt vermisste Personen auf mit den ausgesetzten Belohnungen verdient er seinen Lebensunterhalt Doch dann nimmt ein Auftrag eine tragische Wendung und Shaw muss herausfinden wie es dazu kommen konnte Seine Suche nach Antworten f hrt ihn zu einer undurchsichtigen Organisation die sich als Selbsthilfegruppe ausgibt Shaw tritt der Gruppe bei denn er hat den Verdacht dass diese weitaus perfidere Ziele als Trauerbew ltigung verfolgt Alles deutet darauf hin dass es sich um eine gef hrliche Sekte handelt die alles daf r tun w rde ihre Geheimnisse zu bewahren Und bald werden die ersten Mitglieder misstrauisch Lesen Sie auch Band 1 der unabh ngig voneinander lesbaren Colter Shaw Reihe Der Todesspieler Kennen Sie auch schon die Lincoln Rhyme Thriller Ein Muss f r alle Deaver Fans

Banished 3M Company, 2014-07-01 In the tradition of Escape and Stolen innocence the first look behind the curtains of the Westboro Baptist Church by a young woman cast out from its clutches Provided by the publisher

God Hates Rebecca Barrett-Fox, 2024-10-22 The congregants thanked God that they weren t like all those hopeless people outside the church bound for hell So the Westboro Baptist Church s Sunday service began and Rebecca Barrett Fox a curious observer wondered why anyone would seek spiritual sustenance through other people s damnation It is a question that piques many a witness to Westboro s more visible activity the GOD HATES FAGS picketing of funerals In God Hates

sociologist Barrett Fox takes us behind the scenes of Topeka's Westboro Baptist Church. The first full ethnography of this infamous presence on America's Religious Right, her book situates the church's story in the context of American religious history and reveals as much about the uneasy state of Christian practice in our day as it does about the workings of the Westboro Church and Fred Phelps, its founder. God Hates traces WBC's theological beliefs to a brand of hyper-Calvinist thought reaching back to the Puritans, an extreme Calvinism emphasizing predestination that has proven as off-putting as Westboro's actions even for other Baptists. And yet, in examining Westboro's role in conservative politics and its contentious relationship with other fundamentalist activist groups, Barrett Fox reveals how the church's message of national doom in fact reflects beliefs at the core of much of the Religious Right's rhetoric. Westboro's aggressively offensive public activities actually serve to soften the anti-gay theology of more mainstream conservative religious activism. With an eye to the church's protest at military funerals, she also considers why the public has responded so differently to these than to Westboro's anti-LGBT picketing. With its history of Westboro Baptist Church and its founder and its profiles of defectors, this book offers a complex close-up view of a phenomenon on the fringes of American Christianity and a broader, disturbing view of the mainstream theology it at once masks and reflects.

Ways of Living Religion Christina M. Gschwandtner, 2024-03-14 This study provides a philosophical analysis of different types of religious experience focusing on the lived experience of religion.

The Goodbye Man Jeffery Deaver, 2020-05-12 THE INSPIRATION FOR THE UPCOMING CBS ORIGINAL SERIES TRACKER In this twisty thriller from the New York Times bestselling master of suspense, reward seeker Colter Shaw infiltrates a sinister cult after learning that the only way to get somebody out is to go in. In the wilderness of Washington State, expert tracker Colter Shaw has located two young men accused of a terrible hate crime. But when his pursuit takes a shocking and tragic turn, Shaw becomes desperate to discover what went so horribly wrong and if he is to blame. Shaw's search for answers leads him to a shadowy organization that bills itself as a grief support group. But is it truly it a community that consoles the bereaved? Or a dangerous cult with a growing body count? Undercover, Shaw joins the mysterious group, risking everything despite the fact that no reward is on offer. He soon finds that some people will stop at nothing to keep their secrets hidden and to make sure that he or those close to him say goodbye forever. Religious Violence Today Michael Jerryson, 2020-07-15 Through sections containing overview essays and reference entries related to particular religions, this resource explores the rise of religious violence, hate crime, and persecution around the world. Religious violence and persecution have been growing steadily both within the United States and around the world. Drawing on the expertise of a wide range of scholars, this current and comprehensive reference helps readers understand the persecution of members of particular faiths as well as violence committed by members of those faiths. In doing so, it promotes a greater understanding of the role of religion in global politics, domestic and

international terrorism and religious bigotry The book contains sections on particular religious traditions from around the world Each section begins with an overview essay surveying violence related to that particular religion whether committed by or against members of that faith Reference entries in each section then provide objective fundamental information about particular topics related to violence and the religion discussed The entries provide cross references and suggestions for further reading and the work closes with a bibliography of resources for further study **Theology as Autobiography**

Colby Dickinson,2020-03-17 Autobiographical writings on faith frequently come from the lives of ordinary persons whose struggles with faith are often lived at the margins of the church academy and society Yet these voices have the potential to reshape the ways in which each of these fields function To find out what it means to stand before God with all of one s humanity on display is to engage in not only the act of confession but to demonstrate a bold theological reflection that needs to be more explicitly understood By turning to spiritual autobiographies as theological source texts we learn to place our emphasis where it matters most on the people whose lives of faith move us deeply and cause us to re examine our own lives in light of their witness Moving through a range of ancient early modern and contemporary spiritual writers in order to demonstrate a profound connection that unites them all this book portrays how a critical self examination of one s most personal internal fractures our poverty as it were is the only way to develop a life of faith the dual meaning of the word confession which expresses both a revealing of one s sins or brokenness and the articulation of what one believes No

Place Like Home C.J. Janovy,2018-01-15 Far from the coastal centers of culture and politics Kansas stands at the very center of American stereotypes about red states In the American imagination it is a place LGBT people leave No Place Like Home is about why they stay The book tells the epic story of how a few disorganized and politically na ve Kansans realizing they were unfairly under attack rolled up their sleeves went looking for fights and ended up making friends in one of the country s most hostile states The LGBT civil rights movement s history in California and in big cities such as New York and Washington DC has been well documented But what is it like for LGBT activists in a place like Kansas where they face much stiffer headwinds How do they win hearts and minds in the shadow of the Westboro Baptist Church Christian motto God Hates Fags Traveling the state in search of answers from city to suburb to farm journalist C J Janovy encounters LGBT activists who have fought in ways big and small for the acceptance and respect of their neighbors their communities and their government Her book tells the story of these twenty first century citizen activists the issues that unite them the actions they take and the personal and larger consequences of their efforts however successful they might be With its close up view of the lives and work behind LGBT activism in Kansas No Place Like Home fills a prairie sized gap in the narrative of civil rights in America The book also looks forward as an inspiring guide for progressives concerned about the future of any vilified minority in an increasingly polarized nation **Exiting the Extraordinary** Frances V. Moulder,2015-11-11 This book is an exploratory

study in sociological perspective of the process of returning to the ordinary world after extraordinary experiences Some

people have transformative experiences in life that are so extraordinary that they cannot be at all adequately explained to those who have not had such experiences. Experiences of this sort include being in military combat, participating in great social movements, revolutions or terrorist activities, being incarcerated in concentration camps, the Gulag and prisons, surviving collective disasters such as floods or hurricanes, serving in intelligence agencies and undercover roles, being a member of unusual religious groups, working as a journalist in war zones, carrying out aid work in impoverished or war-torn regions and enduring slavery. The book discusses the commonalities among extraordinary experiences, why people are so profoundly changed by them, the typical challenges faced by returnees and some typical strategies returnees have followed in order to deal with these challenges. A central theme of the book is that returnees are challenged not simply by experiencing extreme events but by a great cultural divide between the extraordinary and the ordinary worlds. The struggles of returnees need to be seen as a social issue rather than simply the private troubles of individuals. The book is based on personal accounts by returnees, interviews and secondary sources and contains many lively examples, both historical and contemporary, of the struggles and triumphs of those who go through extraordinary experiences and return to life in the ordinary world.

Visioning New and Minority Religions Eugene Gallagher, 2016-11-25. Offering an assessment of the state of the field of the study of NRMs, this book considers the analytical tools for the study of new or minority religions and draws on the perspectives of diverse academic disciplines. Its essays focus on individual groups in a variety of geographical settings and review the past of particular groups in order to extrapolate future developments. They cover new religions that have persisted well past the first generation, such as the Mormon Church, the Christian Scientists and the Jehovah's Witnesses, and groups with comparatively shorter histories, such as various forms of contemporary Paganism, Soka Gakkai and the Diamond Way Buddhist group.

Gli eletti Jeffery Deaver, 2020-07-07. Persone da ritrovare, vite da salvare. Su questo incentrata la carriera o meglio l'intera esistenza del cacciatore di ricompense Colter Shaw. Per chi lo ingaggia rappresenta un'ottima alternativa alla polizia, ma ti devi fidare dell'uomo: uno allergico alle burocrazie e capace di sovvertire le regole del buon senso. Come accade in una giornata estiva di giugno: c'è stata una vittima, un ragazzo che Colter doveva riportare a casa e che aveva inseguito fino alla zona selvaggia nel nord dello Stato di Washington. Qui, al riparo tra le valli delle Montagne Rocciose, ha sede la Fondazione Osiride, che promette felicità a chi ha sofferto. Farsi accettare al suo interno riesce facile a Colter, perché in fondo vero anche lui ha un segreto che non lo fa dormire: un ricordo che brucia. Ma ben presto scopre che una volta entrati nella schiera degli eletti di Osiride, quasi impossibile uscirne. O almeno uscirne vivi.
