Get Up or Give Up Michael Bonner, 2017-10-03 Michael Bonner knew he wanted to be a teacher after his favorite college professor Dr Poulson inspired him The professor's passion and love for teaching prompted Michael to change his major and his life's direction But nothing prepared Michael for the reality of a Title One school Teaching is fun until a 7 year old is assaulting you or you're dodging furniture being thrown at you When you mix the craziness of a classroom with a marriage that was about to implode anyone might want to quit Smiling on the outside while feeling dead on the inside took this dedicated teacher to the breaking point Michael knew he must change what was inside him in his approach to life or nothing would change anywhere else So Michael took matters into his own hands to make four key paradigm shifts that

helped him create a world of successful learning for his students and love within both the classroom and beyond The result has been a transformation that s taken Michael far beyond the classroom as he inspires thousands across the country Many agree teaching is an amazing profession but there s little discussion why so many teachers are leaving the profession Get Up or Give Up How I Almost Gave Up on Teaching shines a light into the internal battles and decisions educators face daily and how we must make a conscious decision either to give in or push through

Religion and Sport in North America Jeffrey Scholes,Randall Balmer,2022-09-13 From athletes praising God to pastors using sport metaphors in the pulpit the association between sport and religion in North America is often considered incidental Yet religion and sport have been tightly intertwined for millennia and continue to inform shape and critique one

another Moreover sport rather than being a solely secular activity is one of the most important sites for debates over gender race capitalism the media and civil religion Traditionally scholarly writings on religion and sport have focused on the question of whether sport is a religion using historical philosophical theological and sociological insights to argue this matter While these efforts sought to answer an important question contemporary issues related to sports were neglected such as globalization commercialization feminism masculinity critical race theory and the ethics of doping This volume contains lively up to date essays from leading figures in the field to fill this scholarly gap It treats religion as an indispensable prism through which to view sports and vice versa This book is ideal for students approaching the topic of religion and sport It will also be of interest to scholars studying sociology of religion sociology of sport religion and race religion and gender religion and politics and sport in general *Super Rogue* Liu MangErDai,2020-06-03 I am a hoodlum but I am a hoodlum with good taste I am a hoodlum who does not lose his righteousness dashing forward in black and white killing evil people to pick up beauties what is righteousness I am righteousness **Be Your Own Hero** Schwarzen Precil,2019-10-14 Foster care was Schwarzen Precil s home since he was one years old He endured many extreme hardships including an encounter with the criminal justice system as a teenager He used that obstacle as an opportunity to start over Despite a traumatic childhood Schwarzen remained hopeful as he developed a resilient spirit Through the game of basketball he enhanced his leadership skills which earned him college scholarship After graduation he went on to empower and inspires youth and young professionals with his story as he searched for his long lost family Many people struggle with acceptance identity and emotional instability their entire lives I decided to stop blaming others and take full responsibility I became my own hero Schwarzen Precil **The Many Stories of Delta Center: 2002-2003** ,2003 **It Is Finished** Thierry R.
