### **Behind Closed Doors The Story Of An Exclusive Brethren:**

Behind Closed Doors Ngaire Thomas, 2011-11-01 A gripping and revealing first hand account of one family's experience in the Exclusive Brethren community in New Zealand. Ngaire Thomas grew up married and raised her children within the Exclusive Brethren church in the Palmerston North area. In plain non-judgemental style Ngaire describes life inside this community with its strict rules. She says: 'By the time I was nine I had developed an independent spirit which usually meant that a person had begun to think for themselves rather than obeying the M O G Man of God, an undesirable trait that needed to be dealt with.' Behind Closed Doors tells of the struggles Ngaire and her family went through in order to remain within this close but challenging community. She and her husband Denis, a very devout man, had a strong and committed marriage, raised five children and attempted to live a good life within the church. However, they were eventually excommunicated and went to live on the outside. Ngaire describes the trauma of adjusting to life on the outside and its devastating effects on her children. This is a fascinating window into a world that few of us will ever know, told by an intelligent and compassionate woman.

**Erlöst** Rebecca Stott, 2019-11-04 Als Rebecca Stotts Vater im Sterben liegt, bittet er seine Tochter darum, ihm beim Verfassen seiner Erinnerungen zu helfen. Schon seit Jahren kämpft er damit, die Geschichte seiner Familie festzuhalten, die seit Generationen Mitglied einer fundamentalistischen christlichen Sekte ist. Doch zu schmerzhaft sind die Erinnerungen. In diesem beeindruckenden Memoir versucht die Autorin zu ergreifen, warum intelligente, leidenschaftliche Menschen in den Sog einer fundamentalistischen Religion geraten können und welche schwerwiegenden Folgen dies hat. Ihre eigene Kindheit im Brighton der 60er und 70er Jahre war geprägt durch das eiserne Korsett der Regeln ihrer Gemeinde und so weit entfernt vom liberalen Geist dieser Zeit, wie nur irgend möglich. Stotts Familie ist es dennoch gelungen, mit der Sekte zu brechen.

The Plymouth Brethren Massimo Introvigne, 2018-03-21 This is the first history of the Plymouth Brethren, a conservative nonconformist evangelical Christian movement whose history can be traced to Dublin, Ireland, in the late 1820s. The teachings

of John Nelson Darby an influential figure among the early Plymouth Brethren have had a huge impact on modern evangelicalism However the credit for Darby s work went to some of the first generation of his students and as evangelicalism has grown it has completely ignored its origins in Darby and the Brethren In this book Massimo Introvigne restores credit to John Nelson Darby and his movement and places them in a contemporary sociological framework based on Introvigne s participant observation in Brethren communities The modern day Plymouth Brethren emphasize sola scriptura the belief that the Bible is the supreme authority for church doctrine and practice Brethren see themselves as a network of like minded independent assemblies rather than as a church or a denomination The movement has also refused to take any formal denominational name the title the Brethren comes from the Biblical passage one is your Master even Christ and all ye are brethren Matthew 23 8 The Plymouth Brethren offers a typology of differing branches of this reclusive movement including a case study of the exclusive branch known as the Plymouth Brethren Christian Church and reveals the various ways in which Brethren ideas have permeated the modern Christian world

**Joy & Sorrow** Joy Nason,2018-10-01 Joy Nason was born into an English working class family during World War Two and raised in the fundamentalist Christian cult of the Exclusive Brethren Growing up in this strict and demanding world her family migrated to Australia in the 1950s In her early 20s Joy made the courageous decision to flee her family knowing that she would be cut off from that moment on Slowly but surely Joy made her way in the world with kind employers who encouraged her to gain skills and friends who helped her with socialising travel and a new found enjoyment of life Through many jobs and disappointing liaisons to finally becoming a mother of a baby boy Joy picks herself up after each failure and faces the world with determination and a positive attitude Joy finally entered the world of education denied her by her sect and attained teaching degrees through which she became Senior Head Teacher at New South Wales TAFE With Joy and Sorrow Joy made the decision to go public with her life and experiences partly to give inspiration to others trapped in similar situations but also to add to the body of evidence exposing the hypocrisy of the Exclusive Brethren This secretive sect now re branded the Plymouth Brethren Christian Church will stop at nothing to maintain their Charitable status and keep their tax free millions

**Behind the Exclusive Brethren** Michael Bachelard,2008-09-29 Out of nowhere in 2004 an obscure religious sect burst onto the political stage in Australia Almost unheard of until then the Exclusive Brethren was suddenly spending up big in election advertising in support of conservative political parties But its members were shy to the point of paranoia about who they were preferring as they said to fly under the radar Brethren members assiduously lobbied politicians but did not vote And they were very close to the then prime minister John Howard What exactly was their interest in politics Why did their activism suddenly

blossom almost simultaneously across the world from Canada and the United States to Sweden and Australia And how did a small fringe group whose values are utterly detached from those of most Australians infiltrate the highest office in the land Michael Bachelard uncovered the facts about this secretive sect for more than two years while working as an investigative reporter at The Age The result of his inquiries is the most comprehensive book ever written about the Exclusive Brethren It details their origins in the United Kingdom in the nineteenth century their fractious history their extraordinary use of scripture to control members and dissidents and their lucrative business and financial arrangements It s a fascinating story of influence and power exercised across several continents But it s a very human story too of damaged lives of broken families and of hurt and anger that stretches back decades *Faith Crisis, Volume 2: Behind Closed Doors* L. explosive instalment of The Brethren MC Trilogy Get Carter on two wheels **The Madonna on the Moon** Rolf Bauerdick,2013-11-07 Sputnik the Virgin Mary a murder 1957 In the secluded Eastern European village of Baia Luna life orbits around church work home and the pub This is very much the case for fifteen year old Pavel Botev that is until the seismic shift of world politics is felt even in his small community When Communist party officials arrive and claim Baia Luna for the Soviet Union Pavel s schoolteacher commits grisly suicide Piecing together her diaries Pavel slowly unravels the tragic story of his schoolteacher s affair with an ambitious party official and on the very last page he finds a single scrawled message Send him to hell Naturally Pavel promises his dead teacher that he ll do just that Meanwhile crackled radio reports of the US Soviet space race keep the villagers occupied and somewhat imaginative when the statue of the Virgin Mary is stolen from the chapel Pavel s grandfather and his gypsy best friend assume the obvious that the Russians have kidnapped it and sent it to the moon It seems farfetched but when the old man mysteriously disappears it seems that maybe the Kremlin really has taken an extraordinary interest in an ordinary place and only Pavel stands in the way **Heavy Duty Attitude** Iain Parke,2024-05-21 I liked your book he said as we shook hands across the table Well thanks I answered guardedly as I slid onto the bench seat opposite him and sat down It was around three months since it had come out and so just coming up to about a year since his election You mean the one that just about stopped short of saying that you killed him I asked or that you at least had him killed Yes he nodded with a smile on his wolfish face I particularly liked that part Iain had written a book about The Brethren MC and how powerful they could be He knew it was a dangerous thing to have done whether they liked it or not and one that had taken him part way into their world And now it was his turn Now a new President with big boots to fill was going to make him an offer he was going to find difficult to refuse and once in the outlaw biker s world steeped in the smells of engine oil and leather would he ever be able to get out again And as an outsider on the inside with serious trouble looming who if anyone can he trust The second instalment of the Brethren MC Trilogy a British Sons of Anarchy
