past in a country that frames itself as colorblind In her timely and provocative book Resurrecting Slavery Crystal Fleming
shows how people make sense of slavery in a nation where talking about race colonialism and slavery remains taboo Noting
how struggles over the meaning of racial history are informed by contemporary politics of race she asks What kinds of group
identities are at stake today for activists and French people with ties to overseas territories where slavery took place Fleming
investigates the connections and disconnections that are made between racism slavery and colonialism in France She
provides historical context and examines how politicians and commemorative activists interpret the racial past and present
Resurrecting Slavery also includes in depth interviews with French Caribbean migrants outside the commemorative
movement to address the everyday racial politics of remembrance Bringing a critical race perspective to the study of French
racism Fleming s groundbreaking study provides a more nuanced understanding of race in France along with new ways of
thinking about the global dimensions of slavery anti blackness and white supremacy **The Publishers' Trade List**
