Encyclopedia of Feminist Literature Mary Ellen Snodgrass, 2015-04-22 Presents articles on feminist literature including significant authors themes and history

Encyclopedia of Feminist Literature Kathy J. Whitson, 2004-12-30 Many women writers have secured a solid place in the literary canon while others have remained marginalized This reference includes alphabetically arranged entries on roughly 70 women writers whose works are widely read in English and on some 20 related topics While some of the writers profiled are widely known others have not yet received as much attention And while most of the writers are from England and America the volume also profiles Chilean Brazilian Indian South African Australian French and German authors The writers selected are feminist in that their works have challenged traditional gender roles explored female oppression or critiqued patriarchal social structures In addition to providing biographical information the entries include interpretative summaries of major works Each author entry includes biographical information an extensive summary treatment of at least one of her works an list of her other major works cross references to related entries and a list of works for further reading What distinguishes this encyclopedia from the many other volumes addressing feminist literature or literature by women is the interpretative summary in each entry The volume closes with a list of works cited Entries are clearly written and are accessible to high school students and undergraduates

The Feminist Bookstore Movement Kristen Hogan, 2016-03-10 From the 1970s through the 1990s more than one hundred feminist bookstores built a transnational network that helped shape some of feminism s most complex conversations Kristen Hogan traces the feminist

bookstore movement's rise and eventual fall restoring its radical work to public feminist memory The bookwomen at the heart of this story mostly lesbians and including women of color measured their success not by profit but by developing theories and practices of lesbian antiracism and feminist accountability At bookstores like BookWoman in Austin the Toronto Women's Bookstore and Old Wives Tales in San Francisco and in the essential Feminist Bookstore News bookwomen changed people's lives and the world In retelling their stories Hogan not only shares the movement's tools with contemporary queer antiracist feminist activists and theorists she gives us a vocabulary strategy and legacy for thinking through today's feminisms

Great Books David Denby, 1997-09-25 Explores the current debate about what constitutes a classic and the revolutionary power great works of literature contain *Feminist Circulations between East and West/Feministische Zirkulationen zwischen Ost und West* Annette Bühler-Dietrich, 2020-01-08 Feminist ideas theories and people move In this volume scholars in cultural and literary studies discuss circulations of feminist and queer positions between East and West Working on activism in Eastern Europe on East European literatures and on literature in German written by authors coming from Eastern Europe the contributors discuss how parameters of heterogeneity such as gender sexuality and origin are treated in different literary social and political contexts Hence research on queer activism in Ukraine and feminism in Russia are put in conversation with readings of Olga Grjasnowa Sasha Marianna Salzmann and Olga Tokarczuk

Women, Wellness, and the Media Margaret C. Wiley, Barbara Barnett, 2009-05-27 As a former nurse and someone who now teaches Women's Studies I have long been interested in the politics of health care Today most Americans would agree that our health care system is broken We pay more for health care than any nation in the world yet in 2007 the World Health Organization ranked us as 37th in quality of health care Forty six million Americans are now without health insurance What is happening here And just where are all these dollars going In Women Wellness and the Media thirteen scholars from a wide range of disciplines examine the relationship between media stereotypes and women's health They look at several images of women the perfect mom the straight bikini clad sixteen year old blond who has been air brushed to perfection the wild black Jezebel who struts her stuff and the shriveled up menopausal crone The writers point out that these images are making millions of dollars for all sorts of businesses ranging from the pharmaceutical industry to women's magazines Scholars have long noted that stereotypes disempower women in Women Wellness and the Media we see how these stereotypes actually harm women's health while turning millions in corporate profits

Feminists Who Changed America, 1963-1975 Barbara J. Love, 2006-09-22 Documents the key feminists who ignited the second wave women's movement This work tells the stories of more than two thousand individual women and a few notable men who together reignited the women's movement and made permanent changes to entrenched customs and laws Disciplining Feminism Ellen Messer-Davidow, 2002-01-28 A cultural studies account of the changes produced in feminism as it became part of the academy and of the highly orchestrated attack on higher education by the right wing *The Feminist Fourth Wave*

Prudence Chamberlain,2017-05-16 This book examines the fourth wave of feminism within the United Kingdom Focusing on examples of contemporary activism it considers the importance of understanding affect and temporality in relation to surges of feminist activity Examining the wave s historical use in the feminist movement the book redefines the symbol in an attempt to overcome difficulties of generations identities and divisions The author contends that feminism must develop its own methods for time keeping in which past activism and future aspirations touch on the present moment Through this unique temporality she continues feminism can make space for affective ties to create intense moments of activism in which surges of feeling catalyse and sustain mass action This thought provoking book with its exploration of the relationship between feeling the personal and political will appeal to students and academics working in the fields of gender studies feminism and affect studies

The Palgrave International Handbook of Marxism and Education Richard Hall,Inny Accioly,Krystian Szadkowski,2023-11-07 The Palgrave International Handbook of Marxism and Education is an international and interdisciplinary volume which provides a thorough and precise engagement with emergent developments in Marxist theory in both the global South and North Drawing on the work of authoritative scholars and practitioners the handbook explicitly shows how these developments enable a rich historical and material understanding of the full range of education sectors and contexts The handbook proceeds in a spirit of openness and dialogue within and between various conceptions and traditions of Marxism and brings those conceptions into dialogue with their critics and other anti capitalist traditions As such it contributes to the development of Marxist analyses that push beyond established limits by engaging with fresh perspectives and views that disrupt established perspectives
