Good Business James O'Toole, Don Mayer, 2013-05-13 This illuminating and practical collection of essays addresses the increasingly important topics of corporate ethics social responsibility and sustainability in the context of effective global business strategies Instead of condemning business or exhorting corporate leaders to do good the authors deal with the hot button issues of our time in a cool and rational manner seeing them as opportunities rather than as problems As the authors illustrate there is no necessary trade off between business leaders doing the right thing on one hand and the profitable thing on the other They demonstrate that ethics is not peripheral or in addition to the central concerns of business To the contrary ethics and good citizenship are at the heart of all good business strategies decisions and organizational cultures These essays offer useful examples of how executives can create strategies and cultures that are both and at the same time ethical and effective the essence of GOOD BUSINESS A PUBLICATION OF THE INSTITUTE FOR ENTERPRISE ETHICS Daniels College of Business University of Denver

Responsible Research for Better Business László Zsolnai, Mike J. Thompson, 2020-02-25 This book gathers original empirical and conceptual papers that address the complex challenges of conducting responsible research in the business and

management professions It includes contributions related to and reflecting on the vision of the Responsible Research in Business and Management RRBm network which proposes that business can help provide a better world if it is informed by responsible research The responsible research agenda requires new methods of scholarly assessment that include criteria for measuring impact systemic solutions and practitioner relevance Theories greatly influence business and management practices and as the late Sumantra Ghoshal warned bad management theories are destroying good management practices The authors of this book believe that good management theories can help to create new and better business practices
