## **Bevan:**

Bevan Francis Beckett, Clare Beckett, 2024-03-06 An accessible concise biography about Aneurin Nye Bevan the man and politician behind the creation of the UK National Health Service The creation of the National Health Service was the most significant of the many reforms of the post war Labour government in the UK The man responsible was Aneurin Nye Bevan The son of a Welsh miner he became a local trade union leader at only nineteen In 1929 he was elected as a Labour MP Bevan believed the war was Britain's opportunity to create a new society a position he maintained throughout the conflict When the war ended in 1945 the landslide Labour victory gave him the chance to make this vision a reality Known for his impassioned oratory Bevan's fundamental belief that the new NHS should be freely available to all was ultimately at odds with a government struggling to balance the books He resigned in 1951 over the introduction of charges for prescriptions and glasses With the NHS requiring an ever increasing share of national income this updated edition considers Bevan's legacy as the future of the health service he created is fought over as never before **Joseph Vallence Bevan**

Coulter, 2010-03-01 Published in 1964 this biography of Joseph Vallence Bevan tells the story of Georgia's first official historian Born in Ireland Bevan moved with his family to Georgia at a young age He attended the University of Georgia and the College of South Carolina before continuing his education in England There he met William Godwin an influential political philosopher journalist and novelist who wrote Letter of Advice To a Young American On the Course of Studies It Might Be Most Advantageous for Him To Pursue for Bevan Back in the U S Bevan edited the Augusta Chronicle Georgia Gazette studied law served on the Georgia legislature and became coeditor and owner of the Savannah Georgian In 1824 by recommendation of Governor George M Troup the legislature appointed Bevan as the first official historian of Georgia His main duties were to arrange the state archives publish selections from the archives and to write a history of the state Bevan was unable to complete a history of Georgia before his death in 1830 at the young age of thirty two However he paved the road for future historians making important acquisitions of transcripts from Great Britain which describe the colonial history of Georgia Aneurin Bevan: A Biography Michael Foot, 2011-10-06 Michael Foot's two volume biography of Aneurin Nye Bevan 1897 1960 arguably Britain's greatest socialist indelibly associated with the founding of the National Health Service is one of the major political biographies of the last century It is the life of an inspirational politician written by one who knew and unabashedly admired him Volume I first published in 1962 describes Bevan's life from his birth in Tredegar in the South Wales Valleys through his abortive schooling his employment at a colliery and the subsequent embrace of socialism that would make him a leader among South Wales miners It follows his path to the House of Commons as a Labour MP with a fast rising reputation as a defender of the working class and his marriage in 1934 to fellow firebrand MP Jennie Lee The volume closes with Labour's landslide election victory of 1945 and Bevan's appointment as Minister of Health **Aneurin Bevan a**

**Paul Robeson** Daniel Williams, 2010 The National Eisteddfod Lecture at Ebbw Vale 2010 While Paul Robeson is celebrated

today in Wales as a socialist he was also a key figure for Black Nationalists Bevan seems to have been somewhat aware of this for he delivered one of his most nationalistic speeches before introducing Robeson at the 1958 Eisteddfod in Ebbw Vale

**Bevan vs. Evan** Zoe Evans,2012-03-06 It s tryouts take two in this new addition to a series full of fun drama and lots and lots of CHEER It s springtime in Port Angeles and that can only mean one thing Titan Cheerleading Tryouts take two Will Maddy take the plunge again Or is she just another spring chicken like the rest of the Titan s rejects from the fall And if she does try out will the Grizzlies understand or hate her for leaving them behind after all they ve been through On top of tryout tension the annual Sunshine Dance is around the corner and while Maddy s psyched to design a new dress she s not sure whose arm she wants to be on There are about 2.8 million cheerleaders between the ages of 6 and 17 *Labour orators from Bevan to Miliband* Andrew S. Roe-Crines,Richard Hayton,2016-05-16 How do leading Labour figures strive to communicate with and influence the electorate Why have some proven more successful than others in advancing their ideological arguments How do orators seek to connect with different audiences in different settings such as parliament party conference and through the media This thoroughly researched and highly readable collection comprehensively evaluates these questions as well as providing an extensive interrogation of the political and intellectual significance of oratory and rhetoric in the post war Labour Party This collection evaluates the oratory and rhetoric of twelve leading figures from Labour politics Aneurin Bevan Hugh Gaitskell Harold Wilson Barbara Castle James Callaghan Michael Foot Tony Benn Neil Kinnock John Smith Tony Blair Gordon Brown and Ed Miliband Each chapter explores how its subject attempted to use oratory to advance their agenda within the party and beyond Students of British politics Labour history and communication studies will find this volume essential reading
