Randy Southern,2009-08-08 Was the book of Revelation penned by the crazy uncle in the family of Bible writers You try to convince yourself that the apostle John is just another New Testament writer kindly gentle loving You know normal But he s just so weird Most of the time you have no idea what John is talking about in his revelation When you must interact with his wild otherworldly book you escape as soon as you can to familiar saner Bible texts Like Matthew s Gospel or one of Paul s letters after all they straight up tell you what Jesus did and what you should do Yet Creative Bible Lessons in Revelation will quickly convince you and your students that St John wasn t so much a crazy guy as he was a visionary inspirational and worshipful guy And you don t have to subscribe to any pre or

Seth Duhs, 2023-06-15 After being on staff for nearly a month the youth director was suddenly summoned into the senior pastor's office The pastor quickly shut the door and skipping all pleasantries boldly announced I'd love to help you I just don't have time for you Uncertain of how to respond and with no questions allowed the youth director was dismissed That was the

last meeting he ever had with the senior pastor. Weren't there supposed to be ample amounts of excitement for the newly appointed fresh youth director? This fresh but now confused youth director wanted to do a good job but had no idea where to begin. He was young and everyone was too busy to mentor him even when he had asked for help. Perhaps you're in a similar situation but you're hesitant to admit it out loud. This book is a practical guide aimed at helping anyone struggling with escaping the tempting isolated island of youth ministry and building a network of kingdom minded students, parents and church members focused on living for Jesus Christ in what sometimes seems like a Jesus-less world.
