*Ancient Israel in Sinai* James K. Hoffmeier,2005-10-06 In his pathbreaking *Israel in Egypt* James K Hoffmeier sought to refute the claims of scholars who doubt the historical accuracy of the biblical account of the Israelite sojourn in Egypt Analyzing a wealth of textual archaeological and geographical evidence he put forth a thorough defense of the biblical tradition Hoffmeier now turns his attention to the Wilderness narratives of Exodus Leviticus and Numbers As director of the North Sinai Archaeological Project Hoffmeier has led several excavations that have uncovered important new evidence supporting the Wilderness narratives including a major New Kingdom fort at Tell el Borg

that was occupied during the Israelite exodus Hoffmeier employs these archaeological findings to shed new light on the route of the exodus from Egypt He also investigates the location of Mount Sinai and offers a rebuttal to those who have sought to locate it in northern Arabia and not in the Sinai peninsula as traditionally thought Hoffmeier addresses how and when the Israelites could have lived in Sinai as well as whether it would have been possible for Moses to write down the law received at Mount Sinai Building on the new evidence for the Israelite sojourn in Egypt Hoffmeier explores the Egyptian influence on the Wilderness tradition For example he finds Egyptian elements in Israelite religious practices including the use of the tabernacle and points to a significant number of Egyptian personal names among the generation of the exodus The origin of Israel is a subject of much debate and the wilderness tradition has been marginalized by those who challenge its credibility In *Ancient Israel in Sinai* Hoffmeier brings the Wilderness tradition to the forefront and makes a case for its authenticity based on solid evidence and intelligent analysis

Ely, 2018-01-15 Adam and Eve in Scripture Theology and Literature Sin Compassion and Forgiveness is an extended consideration of the narrative of Adam and Eve first seen in the Hebrew Bible but given new life by St Paul in the New Testament Paul's treatment of Adam and Eve especially his designation of Christ as a second Adam has had an enormous influence in Christianity Peter Ely follows this rich narrative as it develops in history providing the basis of the doctrine of original sin in Christianity giving rise in modern times to theological speculation and entering thematically into mysticism and literature The power of the adamic narrative can only be realized if one treats it as a true but non historical myth The truth of the myth lies in its ability to stimulate thinking and so reveal the depths of human experience Augustine understood that so did Julian of Norwich and even the Belgian author of mystery stories Georges Simenon who had a deep sense of the universality of human weakness and the possibilities of redeeming what was lost Simenon's detective Maigret saw himself as a mender of destinies The doctrine of original sin the notion that human beings share a common vulnerability can open the way to compassion and forgiveness As Shakespeare illustrates in Measure for Measure the awareness of weakness in ourselves should move us to compassion for others The recognition of a kind of democracy of sin can keep us from considering ourselves better than others unlike them in their weakness and entitled to stand in judgment of them Thus compassion opens the door to forgiveness The progress from sin to compassion to forgiveness forms the heart of this work *When You Run Out of Soap* Mary Rose Pearson, 2001 Following up her well received CSS book Fun Activities For Bible Learning Mary Rose Pearson is back with more exciting games and activities to encourage the spiritual and physical growth of children Specifically targeted for youngsters from 4 to 7 years of age the material in this book will help support the teaching of Bible stories and Christian values while promoting the memorization of scripture The learning aids stress participation and are just what's needed to add pizzazz and fun to Sunday school lessons The majority of the activities require no advance preparation and they're useful for review follow up a break during lesson segments or as time filler when the lesson is finished Mary Rose Pearson has 58 years of experience teaching children in Sunday schools children's crusades Vacation Bible Schools and other settings She is a puppeteer and ventriloquist and is the author of 18 published books and 600 articles She has been very involved in full time evangelism activities working along with her husband Pastor M N Pearson
