**A Believable Bible** Ph. D Walter Kania, Kania, 2009 In a recent study reported by the Associated Press the American Religious Identification Survey concluded that the percentage of Christians in America had declined It went on further to report that more people say that they have no religion at all Approximately 30% of married couples did not have a religious ceremony About 27% of those polled said that they did not want a religious funeral Why is this true Increasingly people feel the need to make a decision They must decide between accepting and becoming a Biblical literalist or embracing the known verifiable realities about the world in which they live This choice is confusing and it creates a state of cognitive dissonance that becomes intolerable for most people Having to accept a Bible that is unbelievable that is filled with pre modern unacceptable notions and even noxious declarations is a turnoff to people in an educated culture Having to believe in an indefinable punitive and capricious God as promoted in religion is a difficult and repulsive pill for most people to swallow In *A Believable Bible* you are provided with a guidebook for understanding and making sense of the book of faith that is the basic document of and that is responsible for the Christian faith in America You will be surprised to discover that the Bible may not be what you have been led to believe Incorporating the best of recent biblical scholarship and psychological insight Dr Kania takes you on a fascinating journey of discovery and new truth much as he did in his prior book *Healthy Religion*

*The Bible Blueprint* Joe Paprocki, 2010-06 A highly informative yet fun approach to understanding the world's all time best selling book It's pretty hard to build a house if you don't know how to read a blueprint In the same way it's difficult to develop your faith if you don't know how to read the Bible or are reluctant even to open it In *The Bible Blueprint* best selling author and popular speaker Joe Paprocki cleverly uses a blueprint metaphor to help Catholics gain a solid understanding of the structure and organization of the Bible and to help them build confidence in navigating its pages Among other topics Paprocki covers the different genres of biblical writing key figures in biblical history and the methods Catholics rely on to interpret the Bible Readers are also shown how to consult commentaries concordances and other valuable tools of Bible study to deepen their understanding of God's Word Witty cartoons sidebars and quizzes throughout the book keep the tone fun and engaging eight perforated Bible bookmarks are bound into the book For the large number of Catholics who have never felt comfortable with the Scriptures and for any Catholic new to the faith *The Bible Blueprint* serves as an effective nonthreatening introduction to God's Word as well as a gateway to a deeper relationship with Christ
