Mack, Dinah Mack, 1998 The Macks divert our gaze from our contemporary red faced cloven hoofed misrepresentation of demons to remind us of the ancient roles demons were originally assigned to play From the Tommyknockers of North American mountain mines to the South African Mbulu that waits in the river for lone travelers A Field Guide to Demons classifies these creatures by their domains water mountain forest rather than in alphabetical or cultural order dishing out antique and contemporary lore on these most misunderstood of spirits A Field Guide to Demons melds folklore and mythology maintains a surprisingly evenhanded view of demons and reveals their role as the necessary challenger to established order the antagonist without which there could be no hero and the darkness through which goodness shines brightest Brian Patterson

**Exposing the Devil's Playbook** John Ramirez, 2024-10-01 Just because you feel like you re in bondage it doesn t mean you have to stay there After reading this book I will have the insight needed to rupture the enemy s grip on my life I will gain the invaluable tools needed to fight in the spirit and take up my God given authority as more than a conqueror in Christ Jesus Many

believers are not victorious and not living lives of purpose and destiny because they don't understand the schemes and wiles of the devil. Using powerful teachings this book will unveil and expose the devil and his kingdom to the very core of his ministry strategies and weapons he uses against the church today. The church has fallen asleep. We do not understand the things of the Spirit. We don't understand the enemy of our souls. He comes to kill, steal, and destroy using satanic strategies, game plans, and arsenals of weapons that he wants us to believe are nonchalant, easygoing, harmless, and unpredictable. The church is not teaching and equipping believers to teach our hands to war in the spirit. In Psalm 144:1 David asked God, "Lord, teach my hands to war." Now, instead of our hands being taught to fight the good fight, we find ourselves in handcuffs, limited, depleted, and spiritually anemic. This book will help you unlock your spiritual handcuffs so you can understand the works of the devil and expose him before he sets foot on the battlefield of your life. You will learn how to crush the head of the serpent in any season of your life and how you can see him coming in the blind spots of your walk with the Lord. It's time for believers to be trained, equipped, and become a spiritual army. It's time to fight and expose the so-called devil and his entrapments. We will rise up and take back what he has stolen from us once and for all in the unmatched name of Jesus Christ, our Lord and our Savior. Jesus will be proud that He picked us for the ultimate battle. Ground of the Devil Richard Rezendes, 2021-11-19

Ground of the Devil Book Two By Richard Rezendes. Ground of the Devil Book Two is the continuation of Ground of the Devil Book One, beginning with its history and clean up, only to be surprised by one of the mother's demons that terrorized Moodus and the Mohegan Sun Casino: a lizard-like creature with lots of tentacles, pincers, and a stinging tail like the mother. Other demons look like rats, dragons, crocodiles, alligators, lizards, hyenas, devil dogs, giant mosquitoes, bat birds, crawling worms, siblings, demons looking like the mother, sea demons, whale shark, giant sea monster, devils, bigfoot, monkey-looking demons. The devil's fourteen demons: some of them come from under the ground, traveling at a high rate of speed for its attack; some fly like prehistoric birds and some live in the sea and spread their venom. All fourteen demons have lobster-like claws and a scorpion stinger tail, and all of them are different but attack the same way as their mother. None of the demons spray fire like the mother, but they are all killing machines; however, they were put down by military force. A substance called the pink blob, slime, jelly, orange sand, was the devil's powerful venom, and all the demons have it. Some of the fourteen demons have siblings. The venom turns colors and it's electrified and glows in the dark, looking like a moving jellyfish and terrorizing the globe with fear of the second coming of the devil. **Building Faith in a Christian's Life to Please God** Elder William

Holmes, 2017-01-09. In this book, Elder William D. Holmes talks about the importance of having faith in God. It is necessary to live a life to please God in true holiness and righteousness. He uses real-life testimonies and experiences of sanctified Holy Ghost-filled believers he grew up with in the Holiness Pentecostal Church. It is through these powerful real-life testimonies and his own life experiences that cause him to speak with boldness that Jesus truly is a healer, miracle worker, and savior. He also uses Bible accounts of the miracle-working power of God through our Lord and Savior Jesus Christ. He explains about the

different tactics of Satan and how he will try to hinder a person from getting their deliverance from God how we can defeat Satan and get our blessing why it takes so long for God to answer prayers the difference between healing being made whole and what divine healing is and how God can work with medical profession to bring about healing He talks about the different levels of the Spirit a believer can climb in God This book gives a clear statement that without holiness no person shall see the Lord Jesus came into the world not only to forgive us of our sins but to take sin out of us Jesus also comes to deliver us from all sickness and disease Through the stripes of Jesus we can be healed Take the limit off of God This is a very powerful book to increase the faith of a believer to trust God through his only begotten son Jesus Christ to meet your every need
