

Since the earthquake here in this day I wonder how many lives I could have saved if I had gone through Lianwei's gate of benevolence and wisdom.

Li-Ming

Every so often I hear of a promising new student accepted into Cakhsanti's School. Sometimes Li-Ming, a young woman from Xianan, is perhaps the most recent of these individuals. She is said to possess an almost incredible aptitude for greater knowledge and an incredible ability to fight. I only hope that, as the years wear on, she also learns to use her own power with wisdom and wisdom.

Lacion

Lacion is the ill-forgotten son of Maphian. Unlike his name, L'ah, he served his father without question (at least, he appeared to do so). At the behest of the Prince, Lacion came to the world of Xianan and fought the Trium, a seemingly benevolent war that, in reality, seemed to turn the hearts of magical so darkness. Maphian was then told on the side of the noble spiritual leader calling himself the Prince.

It should be noted that Lacion assumed a mortal guise for this task. Indeed, the Books of Ender describe him as a charismatic and wise man with a voice as soothing as thunder. In the beginning, only those who the magician Ulterior of Darnan and his followers attacked the Trium, did Lacion reveal his true demonic form. No even the demonic creature power could not withstand the might of the magician's arm.

Maghla

A group of dark women and two earth around Maghla and her sister. Lacion she is practiced in the art of witchcraft, and I know also that she leads the Green, a cult that has control on the darkness of the Trium. There is nothing she would not do—no one she would not sacrifice—to oppose the hands of the Burning Hell. Beyond these something being the woman's past remains a mystery.
