

Task information

- In Part 2 you will hear a monologue lasting three to four minutes.
- Part 2 tests your understanding of detail, stated opinion and specific information.
- You have to listen for particular words, phrases or numbers to complete ten sentences. You should write these down exactly as you hear them.
- The 1–3 words you have to write will not be above First level.
- Sometimes words or names may be spelt out. If so, you must spell them correctly.
- All the questions follow the order of the information in the recording, and for each one you will hear a 'cue' that indicates an answer is coming.

Thinking about possible answers; listening for cues

- 1** Study exam question 9 and the extract from the recording script below. Why is a child correct in question 9? Would any other answer be possible? What mistakes might a candidate listening to this make? Why?

Tip! Be careful with words, phrases or numbers you hear which may seem to fit the gaps, but are not correct.

Rabbits are not suitable pets for a child (9) as they need a lot of care.

Rabbits are clean, intelligent and friendly animals, and they make excellent pets. They do, though, require a considerable amount of attention in order to keep them healthy, comfortable and safe, so (9) it is better if an adult or a teenager rather than a child looks after them. As they are such sociable animals, preferring to live in pairs or groups, it is advisable to have at least two.

cue (similar to need a lot of care)

correct answer

Tip! You may need to write three words, but often you need only write one or two.

- 2a** **04** Look at question 10 below and listen twice to the extract from the same recording.

Inside the house, you should remove any _____ (10) to keep the rabbits safe.

- b** Write the correct answer.

- c** **04** Listen again. What is the cue? Which other phrase could be mistaken for the correct answer?
