Second Edition

A Refresher Course With Applications to Economics and Business

Barbara Lee Blum, Ph.D.

The new edition of this valuable text-workbook will help you recapture the calculus that got away. Each work unit offers clear instruction and worked-out examples to help you brush up on the calculus you studied years ago in school, but have since forgotten. This teach-yourself refresher text is also a valuable supplement for students currently enrolled in a calculus course—and can be used by adults who have never studied calculus.
