Brooks, 2015-11-04 Raymond Brooks presents the key concepts of finance and then applies them to various finance problems. He does this by introducing key finance concepts with personal finance and business related examples so students understand how the tools of finance can help them in any career or business situation. **BROOKS - FINANCIAL MANAGEMENT** RAYMOND. BROOKS, 2018 **Financial Management Core Concepts (Custom Edition)** BROOKS., 2015-11-26 Financial Management Plus Pearson MyLab Finance with Pearson EText [Global Edition] Raymond M. Brooks, 2024 Study Guide for Financial Management Vance Lesseig, Ray Brooks, 2010-05-05 Financial Management Raymond Brooks, 2012-01-10 Brooks uses a tools based approach that presents the key concepts of finance or tools early on in the text followed by an application of those concepts to various finance problems. By introducing key finance concepts with personal and business related finance examples this text helps readers understand how the tools of finance can help them in any career or business situation. This edition features strengthened material on financial statements, a discussion on yield curves, new and advanced spreadsheet problems and updated material. **Financial Management** Stephen Foerster, 2014-01-24 **ALERT** Before you purchase check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab check with the seller before completing your purchase. Used or rental books: If you rent or purchase a used book with an access code the access code may have been redeemed previously and you may have to purchase a new access code. Access codes: Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. For courses in Corporate Finance: A balanced overview of financial management theory and practice. Finance is one of the key drivers of a firm's activities and a critical component to understanding business in general. *Financial Management: Concepts and Applications* is designed to help students with no prior knowledge grasp the applications and relevance of finance. Author Stephen Foerster reveals the practical side of finance rather than just its theoretical concepts and shows how finance intersects with many other areas of business. Thoroughly integrated with the text, MyFinanceLab places personalized practice opportunities just a few clicks away and provides a truly interactive learning experience. This program provides a better teaching and learning experience for you and your students. It will help you to Personalize learning with MyFinanceLab. This online homework tutorial and assessment program provides students the help they need when they need it and allows unlimited practice. Encourage students to focus on the big picture. A thematic approach helps students achieve a holistic view of how finance impacts many aspects of business. Highlight
