

A stylized illustration of Bessie Coleman, a pioneering African American aviator, smiling from the cockpit of a biplane. She is wearing a brown leather flight helmet with goggles resting on her forehead and a red scarf. The background shows a blue sky with white clouds and the structure of the biplane. The overall style is reminiscent of mid-20th-century children's book illustrations.

★ "A flight well worth taking."

## **Fly High The Story Of Bessie Coleman:**

**Strategies that Work** Stephanie Harvey, Anne Goudvis, 2007 Describes strategies teachers can use to promote reading comprehension in students from kindergarten through eighth grade and includes examples of student work illustrations and other reference tools *The Life of Bessie Coleman* Connie Plantz, 2014-07-01 From an early age Bessie Coleman dreamed of flying but racial bigotry and gender bias threatened to keep her grounded Denied entrance to flight training school in the United States Coleman went to Europe She returned triumphant with a pilot's license and hopes of opening a flight school for African Americans Author Connie Plantz captures all the tension and excitement of Coleman's soaring achievements Raising funds as a stunt pilot Brave Bessie thrilled her audiences with aerial tricks Coleman's life ended in a tragic accident but not before her dream of flight made aviation history **Fly High!** Louise Borden, Mary Kay Kroeger, 2001 Discusses the life of the determined African American woman who went all the way to France in order to earn her pilot's license in 1921 In her early twenties Bessie moved to Chicago Perhaps there she could find a bigger life In the city Bessie heard many tales of World War I from returned veterans She also heard there were woman airplane pilots in France From then on she was determined to become a pilot But she soon found out that no one would teach a woman especially a woman with dark skin how to fly To study in France was her only chance and by working hard and saving her money she managed at last to get there Bessie Coleman became the first African American to earn a pilot's license She was somebody The inspiring story of her difficult early years her success as a stunt pilot putting on daring air shows in many states and her dedication to telling young African Americans wherever she went You can be somebody You can fly high just like me is as moving and important today as it was then Simply told with evocative full color illustrations this is a special book for today's young people

Bessie Coleman Trina Robbins, 2007 In graphic novel format tells the story of Bessie Coleman the daring stunt pilot Provided by publisher *Bessie Coleman* Philip S. Hart, Martha Cosgrove, 2005-01-01 Looks at the life of the first black woman pilot discussing her childhood education and flying career **Creativity and Children's Literature** Marianne Saccardi, 2014-07-31 Today's students need to be able to do more than score well on tests they must be creative thinkers and problem solvers The tools in this book will help teachers and parents start students on the path to becoming innovative successful individuals in the 21st century workforce The children in classrooms today will soon become adult members of society they will need to apply divergent thinking skills to be effective in all aspects of their lives regardless of their specific occupation How well your students meet complicated challenges and take advantage of the opportunities before them decades down the road will depend largely upon the kind of thinking they are trained and encouraged to do today This book provides a game plan for busy librarians and teachers to develop their students abilities to arrive at new ideas by utilizing children's books at hand Following an introduction in which the author defines divergent thinking discusses its characteristics and establishes its vital importance chapters dedicated to types of literature for children such as fantasy

poetry and non fiction present specific titles and relevant activities geared to fostering divergent thinking in young minds Parents will find the recommendations of the kinds of books to read with their children and explanations of how to engage their children in conversations that will help their creative thinking skills extremely beneficial The book also includes a case study of a fourth grade class that applied the principles of divergent thinking to imagine innovative designs and come up with new ideas while studying a social studies science unit on ecology
