Choosing Slovakia Slavic Hungary The Czechoslovak Language And Accidental Nationalism International Library Of Political Studies:

Choosing Slovakia Alexander Maxwell, 2009-09-07 The Slavs saw themselves as Hungarian citizens speaking Pan Slav and Czech dialects and yet were the origins of what would become in the twentieth century a new Slovak nation How then did Slovak nationalism emerge from multi ethnic Hungarian loyalism Czechoslovakism and Pan Slavism Here Alexander Maxwell presents the story of how and why Slovakia came to be

The Palgrave Handbook of Slavic Languages, Identities and Borders Tomasz Kamusella, Motoki Nomachi, Catherine Gibson, 2016-04-29 This book analyzes the creation of languages across the Slavophone areas of the world and their deployment for political projects and identity building mainly after 1989 It offers perspectives from a number of disciplines such as sociolinguistics socio political history and language policy Languages are artefacts of culture meaning they are created by people They are often used for identity building and maintenance but in Central and Eastern Europe they became the basis of nation building and national statehood maintenance The recent split of the Serbo Croatian language in the wake of the break up of Yugoslavia amply illustrates the highly politicized role of languages in this region which is also home to most of the world's Slavic speakers This volume presents and analyzes the creation of languages across the Slavophone areas of the world and their deployment for political projects and identity building mainly after 1989 The overview concludes with a reflection on the recent rise of Slavophone speech communities in Western Europe and Israel The book brings together renowned international scholars who offer a variety of perspectives from a number of disciplines and sub fields such as sociolinguistics socio political history and language policy making this book of great interest to historians sociologists political scientists and anthropologists interested in Central and Eastern Europe and Slavic Studies

Creating Nationality in Central Europe, 1880-1950 Tomasz Kamusella, James Bjork, Timothy Wilson, Anna Novikov, 2016-04-14 In the immediate aftermath of the First World War Upper Silesia was the site of the largest formal exercise in self determination in European history the 1921 Plebiscite This asked the inhabitants of Europe's second largest industrial region the deceptively straightforward question of whether they preferred to be Germans or Poles but spectacularly failed to clarify their national identity demonstrating instead the strength of transnational regionalist and sub national allegiances and of allegiances other than nationality such as religion As such Upper Silesia which was partitioned and re partitioned between 1922 and 1945 and subjected to Czechization Germanization Polonization forced emigration expulsion and extermination illustrates the limits of nation building projects and nation building narratives imposed from outside This book explores a range of topics related to nationality issues in Upper Silesia putting forward the results of extensive new research It highlights the flaws at the heart of attempts to shape Europe as homogenously national polities and compares the fate of Upper Silesia with the many other European regions where similar problems occurred

Politics and the Slavic Languages Tomasz Kamusella, 2021-06-17 During the last two centuries ethnolinguistic

nationalism has been the norm of nation building and state building in Central Europe The number of recognized Slavic languages in line with the normative political formula of language nation state gradually tallied with the number of the Slavic nation states especially after the breakups of Czechoslovakia the Soviet Union and Yugoslavia But in the current age of borderless cyberspace regional and minority Slavic languages are freely standardized and used even when state authorities disapprove As a result since the turn of the 19th century the number of Slavic languages has varied widely from a single Slavic language to as many as 40 Through the story of Slavic languages this timely book illustrates that decisions on what counts as a language are neither permanent nor stable arguing that the politics of language is the politics in Central Europe The monograph will prove to be an essential resource for scholars of linguistics and politics in Central Europe **Flood Planning** Jeroen Warner, 2011-02-28 Floods are amongst the most common and devastating natural disasters In the wake of such an event the pressure to initiate flood protection schemes that will provide security is enormous and politicians promise quick solutions in the national interest Jeroen Warner examines a number of such projects from around the world the Middle East South Asia and Western Europe aimed at the prevention of serious flooding Each provoked a level of controversy unforeseen by its initiators with the result that schemes were shelved were not completed or simply failed The author shows how such projects inevitably become politicized as different stakeholders seek to promote their interests **Khatami and Gorbachev** Zhand Shakibi, 2010-01-30 Why is it important to compare the experiences successes and difficulties of Mohammad Khatami and Mikhail Gorbachev two leaders operating in very different political environments and cultures Both men were products of two of the 20th century's most momentous revolutions and both sought to reform from within the contradictions and problems which these revolutions produced Zhand Shakibi provides the first comparative analysis of Khatami and Gorbachev based on first hand interviews and previously unpublished sources revealing the extent of their common goals and predicaments The importance of this study lies in its demonstration of how similar political features in completely different political environments can produce common political outcomes This book is a fascinating resource for political scientists international relations specialists and historians of 20th century politics *The Path to Devolution and Change* David Stewart, 2009-08-30 Margaret Thatcher's premiership from 1979 to 1990 had a profound impact on Scotland David Stewart analyzes the impact of this period of Conservative government on Scotland while examining the extent to which Conservative policy under Thatcher represented a break from the post war consensus in British politics Focusing on the origins and impact of the poll tax the campaign to save Ravenscraig steelworks the sharpening of the North South divide the 1984 85 miners strike and the balance of power within Scottish civil society he makes substantial contributions to the debates surrounding the decline of Scottish Unionism the roots of Scottish devolution the legacy of Thatcherism and the changing British constitution **Dark Crusade** Clifford A Kiracofe, 2009-05-30 Dark Crusade offers the most nuanced analysis yet written of the dangerous and complex phenomenon of Christian Zionism's influence on American foreign policy

Despite its efforts to promote peace and instil democracy in the region America is viewed by many in the Middle East as a dishonest broker waging a dark crusade against its enemies in covert collaboration with Israel The crucial hostility to Arab and Palestinian interests of the so called Zionist lobby in the US has long been recognised But it is another less familiar element in US politics that increasingly calls the shots on Capitol Hill directing the course of American foreign policy there Christian Zionism Christian Zionists now influence not only the Republican Party but also the White House and Congress Protestant fundamentalists anticipating the end of the world they have long made common cause with the most extreme political elements in the state of Israel But why Jews and fundamentalist Christians hardly look like natural allies Adhering to a feverish apocalyptic ideology Christian Zionists nevertheless believe that restoration of the entire biblical Holy Land to the Jewish people will result the thousand year reign of Christ During his eleven years working in the Senate Christian Kiracofe observed at first hand the deep seated influence of Christian Zionism on American foreign policy and is uniquely qualified to assess its significance Dark Crusade offers the most nuanced analysis yet written of this dangerous and complex phenomenon

Choosing Slovakia Slavic Hungary The Czechoslovak Language And Accidental Nationalism International Library Of Political Studies Introduction

In today's digital age, the availability of Choosing Slovakia Slavic Hungary The Czechoslovak Language And Accidental Nationalism International Library Of Political Studies books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Choosing Slovakia Slavic Hungary The Czechoslovak Language And Accidental Nationalism International Library Of Political Studies books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Choosing Slovakia Slavic Hungary The Czechoslovak Language And Accidental Nationalism International Library Of Political Studies books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Choosing Slovakia Slavic Hungary The Czechoslovak Language And Accidental Nationalism International Library Of Political Studies versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Choosing Slovakia Slavic Hungary The Czechoslovak Language And Accidental Nationalism International Library Of Political Studies books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Choosing Slovakia Slavic Hungary The Czechoslovak Language And Accidental Nationalism International Library Of Political Studies books and manuals, several platforms offer

Choosing Slovakia Slavic Hungary The Czechoslovak Language And Accidental Nationalism International Library Of Political Studies

~~an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over~~ 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Choosing Slovakia Slavic Hungary The Czechoslovak Language And Accidental Nationalism International Library Of Political Studies books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Choosing Slovakia Slavic Hungary The Czechoslovak Language And Accidental Nationalism International Library Of Political Studies books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Choosing Slovakia Slavic Hungary The Czechoslovak Language And Accidental Nationalism International Library Of Political Studies books and manuals for download and embark on your journey of knowledge?
