CONVERSATIONAL EVANGELISM Edward D. Andrews, 2017-01-04 **The Deafening Cadence of Biblical Defection** Robert Delich PhD, 2024-06-05 From a practical standpoint the book is a straight forward explanation as to why and who is intentionally destroying America from within With it morality integrity honesty and accountability have become socially and

politically irrelevant Filling the gap are proven to be government induced psychopathological lies cheating immorality perversion and a failing judicial system By default these deficits are what happens when God is taken out of the equation Well researched the book s review on the troublesome church history significantly correlates with the menacing tentacles from the anti Christian movement in America today For all the wrong reasons deep state biased media propaganda has lead to over control of individual rights and the first and second amendments are under attack If left wing policy is allowed to continue even the Democrat constituents will struggle to keep up with the blatant socio economic damage caused by the party they support Having little regard for the word of God this anti Christian movement has become a menacing parasitic force tearing at the very fabric of Christian ideology and moral stability of America And should man s God absent self serving immoral inequities continue to be the measuring tool that represent final authority I have to ask what kind of world will be assigned to the next generation Ultimately it will be the vulnerable misinformed and uniformed youthful voters that will certainly suffer the consequences

Foundations for Youth Ministry Dean Borgman,2013-10-01 Dean Borgman a nationally known youth ministry expert offers a new edition of his influential classic Reaching a broadly ecumenical audience this book challenges readers to think about the theological nature of youth ministry Questions for discussion and reflection are included This thoroughly updated edition was previously published as When Kumbaya Is Not Enough Praise for the first edition Writing with the lens of a theologian the heart of a pastor and welcome doctrinal breadth Borgman has provided a field book of pastoral theologies that takes seriously the social systems shaping the lives of adolescents This book is a significant step toward the long awaited conversation about theology and youth ministry in postmodern culture Kenda Creasy Dean Princeton Theological Seminary author of Almost Christian In this excellent work Borgman brings theological integrity depth and years of wisdom like nothing else I have seen in our field Jim Burns author of Teenology The Art of Raising Great Teenagers
