influence in Eastern Europe the Balkans and Greece Only three months later less than a week after the German surrender Roosevelt was dead and Churchill was writing to the new President Harry S Truman of an iron curtain that was now drawn down upon the Soviets front Diana Preston chronicles eight days that created the post war world revealing Roosevelt s determination to bring about the dissolution of the British Empire and Churchill s conviction that he and the dying President would run rings round the Soviet premier But Stalin monitored everything they said and made only paper concessions while his territorial ambitions would soon result in the imposition of Communism throughout Eastern Europe

Während des Zweiten Weltkrieges wurden in den Vereinigten Staaten von Amerika bereits verschiedene Visionen zur Zukunft und Nachkriegsordnung Europas ausgearbeitet die als solche den ideellen Grundstein für spätere außenpolitische Vorhaben legten und folglich einen nicht unwesentlichen Einfluss auf die anschließende Umsetzung selbiger zeitigten Jene Vorstellungen zeichneten sich zum einen dadurch aus dass viele der erwarteten Probleme bei der Etablierung eines neuen zwischenstaatlichen Systems häufig von der Warte gesamtstrategischer Überlegungen und Erfordernisse betrachtet wurden im Zuge derer nationale Eigeninteressen mit liberal amerikanischen Idealbildern verbunden und im Rahmen der bergreifenden Vision eines globalen Internationalismus unter der Führung der USA durchgesetzt werden sollten Zum anderen beschränkten sich amerikanische Europakonzeptionen keineswegs nur auf einzelne Teilaspekte politischer oder wirtschaftlicher Natur sondern versuchten vielmehr ganzheitliche Lösungen zu liefern indem sie die vielfältigen Herausforderungen denen sich Europa nach dem Krieg gegen übersehen würde systematisch in Bezug zueinander setzten Anhand eines prosopographischen Ansatzes wird untersucht inwiefern die Errichtung einer stabilen Friedens und Sicherheitsordnung in Europa nicht erst mit Beginn des Kalten Krieges zu einem zentralen Eckpfeiler der amerikanischen Außenpolitik geworden war **Frieden schaffen** Wilfried Loth, 2023-08-16 Churchill Roosevelt Stalin und später auch de Gaulle Wie dachten die Alliierten über die Zukunft Deutschlands und Europas nach dem Sieg über das NS Imperium Wie wollten sie den Frieden sichern der am Ende des Zweiten Weltkrieges stehen würde Wilfried Loth entwirft ein umfassendes Panorama der Pläne und Verhandlungen der künftigen Siegermächte das sich nicht nur auf die Frage nach den Ursachen des Kalten Krieges und die Verantwortung für die Teilung Deutschlands beschränkt Er wertet neues Material insbesondere aus russischen und französischen Archiven aus und bezieht erstmals die Pläne des antifaschistischen Widerstands und Exils in die Nachzeichnung der Kriegszieldiskussion ein So kann er zeigen dass es zwischen den Alliierten mehr Gemeinsamkeiten als Gegensätze gab Die Konferenzen von Jalta und Potsdam bildeten daher die Grundlage für eine Friedensordnung die erst nach 1989 voll verwirklicht werden konnte Nicht zuletzt kann die Rückschau helfen Maßstäbe für Friedensschlüsse heutiger Kriege zu finden *Fighting with the Soviets* Mark J. Never at War Spencer R. Weart, 1998-01-01 This lively survey of the history of conflict between democracies reveals a remarkable and tremendously important finding fully democratic nations have never made war on other democracies Furthermore historian Spencer R Weart concludes in this thought provoking book they probably never will Building his argument on some forty case studies ranging through history from ancient Athens to Renaissance Italy to modern America the author analyzes for the first time every instance in which democracies or regimes like democracies have confronted each other with military force Weart establishes a consistent set of definitions of democracy and other key terms then draws on an array of international sources to demonstrate the absence of war among states of a particular democratic type His survey also reveals the new and unexpected finding of a still broader zone of peace among oligarchic republics even though there are more of such minority controlled governments than democracies in history In addition Weart discovers that peaceful leagues and confederations the converse of war endure only when member states are democracies or oligarchies With the help of related findings in political science anthropology and social psychology the author explores how the political culture of democratic leaders prevents them from warring against others who are recognized as fellow democrats and how certain beliefs and behaviors lead to peace or war Weart identifies danger points for democracies and he offers crucial practical information to help safeguard peace in the future

Lucius D. Clay Jean Edward Smith, 2014-03-10 A military biography of the American soldier and statesman who managed the WWII Lend Lease program and acted as governor of postwar Germany During World War II President Roosevelt called upon Lucius D Clay to run military procurement It took a man of his logistical genius to oversee the requirements of an eight million man army Clay set priorities negotiated contracts monitored production and coordinated military Lend Lease all without a breath of scandal In 1945 Clay was called upon once again to act as military governor of a decimated Germany He dealt with everything from de Nazification to quarrelsome allies from feeding a starving people to processing vast numbers of homeless and displaced Above all he had to convince a doubting American public and a hostile State Department that German recovery was essential to the stability of Europe Clay went on to play key roles in business and politics advising presidents of both parties He helped run Eisenhower s 1952 campaign led the federal highway program raised the ransom money for the Bay of Pigs prisoners and boosted morale in Germany as the Berlin Wall was built In honor of their debt to him the Berliners placed a simple stone tablet at his West Point grave Wir Danken Dem Bewahrer Unserer Freiheit We Thank the Defender of Our Freedom

A History of Postwar Russia Roger Pethybridge, 2021-11-29 First Published in 1966 A History of Postwar Russia covers sixteen years of Soviet history from the closing stages of the Second World War 1945 until the Twenty second Soviet Party Congress 1961 dealing with both domestic and foreign policy and their influence on each other It aims at giving the overall shape of Soviet history in these years The author argues that in Soviet society each sector of activity must be viewed in relation to the whole so that the

Three Against One Vance Stewart,2002-11 The Second World War was caused by one man Adolph Hitler This tormented personality brought death and destruction over most of the world Winston Churchill Franklin Delano Roosevelt and Joseph Stalin were called on by history to stop this menace In this book which includes new material the background attitude and personalities of these men are explored in detail Hitler the penniless artist of 25 in Vienna Churchill the young prisoner of war in South Africa Roosevelt stricken and crippled by polio in the prime of his life and Stalin the seminarian of fourteen studying for the priesthood By his attack on Poland in September 1939 Hitler brought Churchill against him Stopped by Churchill and the R A F Hitler moved east to strike Stalin and the Red Army Not satisfied he then took on Roosevelt the leader of the largest industrial power in the world In spite of all this Hitler backed by the strongest armed forces of any country in the history of the world came close to winning This book tells the story of these incredible events

Alliance Jonathan Fenby,2015-02-12 The history of the Second World War is usually told through its decisive battles and campaigns But behind the front lines behind even the command centres of Allied generals and military planners a different level of strategic thinking was going on Throughout the war the Big Three Churchill Roosevelt and Stalin met in various permutations and locations to thrash out ways to defeat Nazi Germany and just as importantly to decide the way Europe would look after the war This was the political rather than military struggle a battle of wills and diplomacy between three men with vastly differing backgrounds characters and agendas Focusing on the riveting interplay between these three extraordinary personalities Jonathan Fenby re creates the major Allied conferences including Casablanca Potsdam and Yalta to show exactly who bullied whom who was really in control and how the key decisions were taken With his customary flair for narrative character and telling detail Fenby s account reveals what really went on in those smoke filled rooms and shows how jaw jaw as well as war war led to Hitler s defeat and the shape of the post war world

The Eleventh Hour L. Douglas Keeney,2015-03-31 In late November 1943 President Franklin Delano Roosevelt and his Joint Chiefs of Staff secretly boarded the battleship USS Iowa to attend a conference in Tehran with British Prime Minister Winston Churchill and Soviet Union leader Joseph Stalin where the Allies would come to an agreement on a war plan to defeat Germany Although Roosevelt s preparation at sea established the groundwork for the American position on D Day it was in the heated and electrifying debates that followed in Tehran and

only through those intense debates that a deal was ultimately struck In *The Eleventh Hour* critically acclaimed author L Douglas Keeney explores FDR s covert conferences on the battleship and provides stunning insight into the formerly secret behind the scenes transcripts from the meetings in Tehran Brilliantly chronicling the three days of aggressive debates between the heads of state Keeney demonstrates that Tehran although remembered as a diplomatic conference with a well known outcome was in reality chaotic conflicted and subject to numerous heated closed door sessions with a petulant irritable Churchill a strikingly reserved detached Roosevelt and an assertive but unexpectedly diplomatic and even charming Stalin winning over his guest President Roosevelt whose quarters were bugged by the Soviets Seamlessly stitching together the private papers diaries meeting notes and letters home of those on board *The Eleventh Hour* narrates declassified transcripts exposes surprising secrets and illuminates how the debates of three men would ultimately end WWII
