The Fosse Style Debra McWaters, 2008 Even people with the barest interest in Broadway can recognize the unique angular sensual style of Bob Fosse With its small gestures and isolated movements it is frequently copied and often misinterpreted For there is far more to it than bowler hats and white gloves which is why choreographer Debra McWaters has put together the ultimate visual and verbal guide to Fosse's way of dancing choreographing and teaching Using hundreds of photographs as well as descriptions from Fosse himself McWaters guides dancers and teachers through the process of understanding the intricacies of this style of jazz dance An assistant to Gwen Verdon on Fosse a long time associate of Ann Reinking and personal choreographer for Ben Vereen McWaters is uniquely situated to write this book *The Fosse Style*
