## **College Investment Policy Lansing Community College:**

*Resources in Education* ,2001-10      The Community College Board 2.0 Daniel J. Phelan,2021-01-15 This book provides the reader with a fresh and comprehensive approach to both considering and implementing an uncommon governance practice that emphasizes a lasting effective and a sustaining relationship between the board and president This discussion encapsulates pre hiring practices and principles regarding CEO selection onboarding various board membership constructions both appointed and elected and new dimensions of board governance that emphasize competition agility transparency effectiveness and new business models The discussion also includes elements of policy and by law design intentional governance design and development committee structures and use parliamentary procedures meeting construction and effectiveness CEO contracts and evaluation board self evaluation generative thinking and planning transparency and addressing board and organizational challenges Given that transitioning to a new enhanced or blended governance model can be difficult the book will offer suggestions and guidance about how to move toward a more preferred effective model This component will include tools such as a strategy canvas and other processes to assist boards in addressing questions along the way such as how and where to begin how to evaluate the efficacy of the current model and how to structure the transition process and the timing thereof      *Promise Nation* Michelle Miller-Adams,2015-10-27 Michelle Miller Adams presents the most accessible and comprehensive overview available of the emergence and development of the Promise movement nationwide as well as an up to date assessment of available research on the impacts of such programs      **Servicemembers Opportunity Colleges** ,1993      **Weekly Compilation of Presidential Documents** ,1999      **Urban Politics of Human Rights** Janne Nijman,Barbara Oomen,Elif Durmuş,Sara Miellet,Lisa Roodenburg,2022-11-14 Increasingly urban actors invoke human rights to address inequalities combat privatisation and underline common aspirations or to protect vested private interests The potential and the pitfalls of these processes are conditioned by the urban and deeply political These urban politics of human rights are at the heart of this book An international line up of contributors with long term engagement in this field shed light on these politics in cities on four continents and eight cities presenting a wealth of empirical detail and disciplinary theoreticalisation perspectives They analyse the city society the urban actors involved and the mechanisms of human rights mobilisation In doing so they show the commonalities in rights engagement in today s globalised and often deeply unequal cities characterised by urban law private capital but also communities that rally around concepts as the right to the city Most importantly the chapters highlight the conditions under which this mobilisation truly contributes to social justice be it concerning the simple right to presence cultural rights accessible housing or in times of COVID health care Urban Politics of Human Rights provides indispensable reading for anyone with a practical or theoretical interest in the complex deeply political and at times also truly promising interrelationship between human rights and the urban Creative Commons Attribution Non Commercial No
