

THE LUNAR CHRONICLES

# Cinder

A detailed illustration of a futuristic, mechanical leg wearing a classic red high-heeled shoe. The leg is composed of various metallic and translucent components, including a joint at the knee and a series of gears or pistons running down the calf. The shoe is a vibrant red with a glossy finish. The background is dark with a blue gradient at the bottom.

human is not a fixed state but one always dynamic and evolving Restrictive boundaries are no longer in play and we do not define who we are by delineating what we are not animal machine monster There is no one aspect that makes a being human self awareness emotion artistic expression or problem solving since human characteristics reside in other species along with shared DNA Instead posthumanism looks at the ways our bodies intelligence and behavior connect and interact with the environment technology and other species In *Posthumanism in Young Adult Fiction Finding Humanity in a Posthuman World* editors Anita Tarr and Donna R White collect twelve essays that explore this new discipline s relevance in young adult literature Adolescents often tangle with many issues raised by posthumanist theory such as body issues The in betweenness of adolescence makes stories for young adults ripe for posthumanist study Contributors to the volume explore ideas of posthumanism including democratization of power body enhancements hybridity multiplicity plurality and the environment by analyzing recent works for young adults including award winners like Paolo Bacigalupi s *Ship Breaker* and Nancy Farmer s *The House of the Scorpion* as well as the works of Octavia Butler and China Mi ville *Woke Cinderella* Suzy

Woltmann,2020-10-14 Glass slippers a fairy godmother a ball a prince an evil stepfamily and a poor girl known for sitting amongst the ashes incarnations of the Cinderella fairy tale have resonated throughout the ages Hidden between the lines of this fairy tale exists a history of fantasy about agency power and empowerment This book examines twenty first century Cinderella adaptations that envision the classic tale in the twenty first century through the lens of wokenesss by shifting rhetorical implications and self reflexively granting different possibilities for protagonists The contributors argue that the Cinderella archetype expands past traditional takes on the passive princess From *Sex and the City* to *Game of Thrones* from cyborg Cinderellas to *Inglorious Basterds* contributors explore gender bending and feminist adaptations explorations of race and the body and post human and post truth rewritings The collection posits that contemporary Cinderella adaptations create a substantive cultural product that both inform and reflect a contemporary social zeitgeist **Neoliberalism and Young**

**Adult Fiction** Sean P. Connors,Roberta Seelinger Trites,2025-03-17 In the twenty first century the influence of neoliberalism the belief that society benefits when both individuals and corporations are free to maximize their talents in the service of responding to social needs and problems resonates through all domains of human life And yet little critical study has been given to the reproduction of a neoliberal social order in YA literature *Neoliberalism and Young Adult Fiction Exceptionalism Exploitation and Erasure* examines how some YA literature naturalizes neoliberalism in positioning teenagers as self enclosed competitive individuals At the same time however the authors also examine other YA novels as potential sites of resistance that acknowledge teenagers agency to reject neoliberalism s destructive impulses and to work for social justice and equality through collective action With that in mind the authors of *Neoliberalism and Young Adult Fiction* analyze such concepts as how the exceptionality of specific characters who embody neoliberal ideals leads to self enclosed individualism and how environmental exploitation and consumerism lead to destructive effects The book progresses to an in depth examination of

how racism undergirds US neoliberalism and environmental exploitation From scrutinizing racism and the rejection of neoliberalism inherent in the antiracism movement the study turns to an examination of gender specifically focusing on the relationship between sexism exploitation and embodied rejections of patriarchal thinking Indeed erasure is implicated in racism sexism and all forms of discrimination that are borne of exploitation Finally youth activism with its rejection of neoliberal ideologies leads to a culminating chapter about how global youth link YA literature to their protest movements
