the latter is actually what dictates events in our realm It takes no effort to realize that not only is the bible an integrated message but also one that has its origins in another dimension of existence beyond what we are accustomed to Have you wondered how the Bible accurately describes scientific phenomena millennia before science arrived on the planet How on earth did Moses know how the world was created when no man was on the scene at the beginning of creation It does not take a genius to fathom that there has to be a supreme being a God out there who is the source and sustainer of all life Like I said earlier on whether we are aware or not life in this temporary material realm is influenced even directed from another realm the spiritual That is why it is important that we understand this realm and cooperate with it to get it to work with and for us Paul wrote in 2 Corinthians 4 18 While we do not look at the things which are seen but at the things which are not seen For the things which are seen are temporary but the things which are not seen are eternal He is saying that our focus should be on the unseen eternal realm which is the real reality because that is permanent as opposed to this realm that is but a passing shadow The need to focus on the things that don t change becomes even more crucial because of the sheer amount and complexity of change that we have to contend with in our lives Changes in technology science medicine career and the work place are so fast and complex that we need something strong enough to provide the necessary moorings to hold our lives in place and provide the necessary balance to our lives if we are not to be swept away by the change Even though change is unsettling disruptive and can be scary even good change it brings opportunities and progress So how do we maintain our sanity and embrace the necessary change It is my conviction that we do this by turning to and focusing on the things that do not change The things that do not change include God and his word humans in our basic makeup and constitution and our biological makeup and sexuality family society relationships parenting etc Of course the way these may be defined may change over time but the fact is that they are there This is why it is important to access the right information from the source of this realm the spirit realm to influence and direct our lives in this realm because even though the way man has come to view certain things may have changed over time the spirit realm is not subject to same change as this This is the reason why it is important to know God s truth on every issue of life and apply it accordingly Now the Bible says that Jesus is the only legitimate door to the spirit realm According to John 10 9 10 Jesus says I am the door If anyone enters by me he will be saved and will go in and out and find pasture The thief does not come except to steal and to kill and to destroy I have come that they may have life and that they may have it more abundantly He is the only authorized dealer mandated by God to take people into the Father s presence and hence the only mediator between man and God As you embrace the truths enshrined in this book understand that you are calling on a power greater than yourself from a source beyond this temporal realm to intervene in your life and that of your family Make the truths enshrined in Eternal Nuggets your truths by incorporating them into your life and see the invisible but real hand of God move in your life to bring much needed blessing peace and contentment into every area of your life      *The Art of War for Spiritual Battle* Cindy Trimm,2010 Using relevant quotes from
