

ABSTRACT

The internship report in broad-spectrum contains four chapters in which we try to explain my one month experience in my hosting company. The content of all chapters is broadly explained and it is constructed from the practical basis of the site work.

In the opening chapter I give details to the company background including its mission, vision, the project those runs through the company consultation. In this chapter we put all record or history and futurity of my hosting company with its official address. So, it is give details of the company in terms of reader can easily know and access the company.

The second chapter is the most hunted chapter which explains my overall internship familiarity in one month. This chapter is the main chapter and we record on it the overall work I have been executing. It gives a high light what I have been doing and main works of the construction industry.

After all those chapters explained above we goes to the third and forth chapter and explains the main benefits of the internship in terms of different aspects and areas. It is obvious that the internship has a plus in terms of improving skills and different abilities as a whole. The advantages and gains of the internship putted in short and prices way to grasp the attention of readers and evaluators.

The final and fifth chapter is conclusion, means what we learnt and understand from this internship programme.
