his beliefs about race slavery and the Union cause were unconventional for the time and stand in contrast to those held by many of his contemporaries Double Duty in the Civil War is filled with lively descriptions of the men Bacon met and the events he experienced With Burkhardt s careful editing and useful annotations Bacon s letters and diary excerpts give rare insight into areas of the Civil War that have been neglected because of a lack of available sources Given the scarcity of eyewitness testimonies to navy life and life in African American regiments this book is a rarity indeed **Catalog of Copyright Entries** Library of Congress.
