Johnson,2022-04-05 In this deeply original Elif Batuman and violently funny Myriam Gurba story a young lawyer finally confronts her dark past so she can live in a more peaceful future To the outside observer Vivian is a success story a dedicated lawyer who advocates for mentally ill patients at a New York City psychiatric hospital Privately Vivian contends with the memories and aftereffects of her bad childhood compounded by the everyday stresses of being a Black Latinx woman in America She lives in a constant state of hypervigilant awareness that makes even a simple subway ride into a heart pounding

drama For years Vivian has self medicated with a mix of dating dieting dark humor and smoking weed with her BFF Jane But after a family reunion prompts Vivian to take a bold step she finds herself alone in new and terrifying ways without even Jane to confide in and she starts to unravel Will she find a way to repair what matters most to her A debut from a stunning talent Post traumatic is a new kind of survivor narrative featuring a complex heroine who is blazingly indelibly alive With razor sharp prose and mordant wit Chantal V Johnson performs an extraordinary feat delivering a psychologically astute story about the aftermath of trauma that somehow manages to brim with warmth laughter and hope *Full Circle*

Skyy,2013-06-01 It s the final test for our favorite Freedom University alumni It s been two years since Lena decided to take time away from all her drama to find herself and focus on her child But the present finds her staring at images of Denise the one who got away Will she finally be able to move on to someone new or will she go after the one she s wanted all along Denise has learned that there is more to Hollywood than fame and fortune The dark side of celebrity rears its ugly head as Denise s star grows brighter and Farid s starts to dim With the past reappearing in her life Denise finds herself torn between the stable relationship she s always wanted and the chaotic love that her heart just doesn t want to let go Never in a million years did Cooley think she would be in a committed relationship and happy Managing two of the hottest up and coming lesbian stars in the world she finds her life is right on track But when a secret comes out it could derail all she s worked for and threaten her relationship Misha pictured her future as an independent jet setter not as a housewife As she watches her ex live the life she envisioned for herself the temptation to pursue her dreams and revisit the life she abandoned might just get the best of her While her friends live fabulously in Atlanta Carmen is stuck in Memphis in a teaching job she despises While Nic is perfectly happy with the average life they have created together Carmen wants more including the perfect royal wedding Her caviar wishes might end up destroying her relationship dreams The future might be bright and sunny for the crew but there are still storm clouds ahead Their relationships and friendships have never been so vigorously tested As Carmen and Nic s wedding approaches will skeletons in their closets wreck the worlds they have created or will everything finally come full circle New York Magazine ,1982-06-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
