Fifty Great Short Stories Milton Crane:

50 Great Short Stories Milton Crane, 1983-08 World's finest short stories collected and edited for this special edition. Included are Jackson's The Lottery, Poe's Masque of the Red Death, Thurber's Catbird Seat, and Wells' Man Who Could Work Miracles. **50 Great American Short Stories** Milton Crane, 1983 **50 (FIFTY) GREAT SHORT STORIES. ED.: MILTON CRANE.**, 1971 **Mansfield Park** Jane Austen, 2008-01-29 At the center of Jane Austen's *Mansfield Park* is Fanny Price, the classic poor cousin who has been brought to live with the rich Sir Thomas Bertram and his wife as an act of charity. Over time, Fanny comes to demonstrate forcibly those virtues Austen most admired: modesty, firm principles, and a loving heart. As Fanny watches her cousins Maria and Julia cast aside their scruples in dangerous flirtations and worse, and as she herself resolutely resists the advantages of marriage to the fascinating but morally unsteady Henry Crawford, her seeming austerity grows in appeal and makes clear why she was Austen's own favorite among her heroines. *Mansfield Park* encompasses not only Austen's great comedic gifts and her genius as a historian of the human animal, but her personal credo as well: her faith in a social order that combats chaos through civil grace, decency, and wit. With an introduction by Peter Conrad. Less is More Kimberly Campbell, 2007 *Less Is More* is full of powerful ideas for teaching with short, provocative text. This book broadens and extends our available teaching tools and materials and can help engage all students. It is a valuable resource for language arts teachers. Cris Tovani: Language arts teachers want all of their students to love literature and embrace the novels they assign. The classroom reality is that many students are not ready or motivated to immerse themselves in an entire novel. In order to reach and engage all students, teachers need to look beyond novels alone and embrace a richer variety of literature. In *Less Is More*, Kimberly Hill Campbell draws on research as well as her own classroom experiences to show how short texts engage a wide range of middle and high school students. She shares her discovery of the power of short texts to support her students' skills as readers, writers, and students of literature. Kimberly shows how short texts can be integrated into the curriculum without sacrificing required novels. Chapters examine different genres of short text, such as short stories, essays, memoir, and graphic novels. Each chapter provides reading, writing, and response strategies as well as a broad selection of short text resources that have proven effective with a wide range of students. *The Return of the Native* Thomas Hardy, 2008-08-26 This fine novel sets in opposition two of Thomas Hardy's most unforgettable creations: his heroine, the sensuous, free-spirited Eustacia Vye, and the solemn, majestic stretch of upland in Dorsetshire he called Egdon Heath. The famous opening reveals the haunting power of that dark, forbidding moor where proud Eustacia fervently awaits a clandestine meeting with her lover, Damon Wildeve. But Eustacia's dreams of escape are not to be realized; neither Wildeve nor the returning native Clym Yeobright can bring her salvation. Injured by forces beyond their control, Hardy's characters struggle vainly in the net of destiny. In the end, only the face of the lonely heath remains untouched by fate. In this masterpiece of tragic passion, a tale that perfectly epitomizes the author's own unique and
