Caṭṭagrāma Bīśvabidyālaya Śṭādīja, 1990 **Readings In Financial Management** J. D. Agarwal, 1994 The Indian Journal of Commerce, 1985 *The New Environment in International Accounting* Ahmed Riahi-Belkaoui, 1988-09-07 Belkaoui examines several innovative forms of financial reporting and disclosure emerging in various countries and how they

can hamper attempts to harmonize accounting standards internationally Among these are value added reporting information for employees and unions the impact of value added taxation and cash flow reporting He also tries to summarize recent developments in comparative management research and the impact it may have on practice The author attempts to provide a broad overview of all of these topics which should appeal to students and to accountants with an interest in the recent developments in international accounting Journal of Accountancy This volume thoroughly examines new developments in international accounting from economic and social as well as from accounting viewpoints It reflects the current tension between attempts at unification by international standard setters and the emergence of innovative forms of reporting disclosure and taxation as various countries attempt to improve their reporting accuracy The product of this tension is the gradual but steady emergence of new accounting reporting disclosure and taxation techniques of importance to the accounting practices of every country in the international arena Guide to Indian Periodical Literature ,1989 **Human**

Resource Valuation Janice Monti-Belkaoui,Ahmed Riahi-Belkaoui,1995-03-18 Employees are definitely the most important assets of a firm Yet the value and contributions of human resources are rarely accounted for and disclosed to users of accounting information This book focuses on the need for a better accounting for human resource through a human resource valuation strategy This strategy includes a disclosing the value of human resources in the annual reports through the application of human resource accounting HRA b disclosing an employee report that informs employees about vital information for their conditions and decision needs through the application of employee reporting and c disclosing a value added report that highlights the labor contribution to wealth through the application of value added reporting Pref

Neoliberalism in the Emerging Economy of India Byasdeb Dasgupta,Archita Ghosh,Bishakha Ghosh,2021-07-07 Neoliberal economic reforms over the last four decades have altered the economic cartography of emerging market economies such as India particularly in the context of international trade investment and finance and in terms of their effects on the real economy This book examines the issues of financialization investment climate and the impact of trade liberalization By analysing these three features of neoliberal reform the book is unique since it accommodates both a mainstream neoclassical approach and a non mainstream political economy approach The major questions answered by this book cover three basic lines of enquiry pertaining to neoliberal reforms They are a how financialization as a new process affects the real economic health of emerging market economies characterized by globalization b how the changing form of international trade in the new regime impacts upon the informal economy and employment and trade potential in the home country and c how global investment has shaped the real economy in emerging countries like India The book will be extremely useful for postgraduate students of international economics particularly development economics and political economy including researchers with a keen interest in India **Tribal Politics and State Systems in Pre-colonial Eastern and North Eastern India** Surajit Sinha,Centre for Studies in Social Sciences,1987 **Indian Books in Print**
