[Global Sustainable Practices in Gastronomic Tourism](#) Rana, Varinder Singh, Raina,

Ashish, Bathla, Gaurav, 2024-12-02 Developing sustainable practices in gastronomic tourism is essential for creating a responsible and impactful travel experience. As travelers become conscious of their environmental and social impact, the culinary tourism sector prioritizes sustainability at every stage. This includes promoting local ingredients, supporting small-scale producers, and minimizing food waste while also celebrating cultural heritage through authentic culinary experiences. Gastronomic tourism enhances the visitor experience while contributing to the preservation of local ecosystems and communities. Further research into gastronomic tourism is necessary to promote multi-stakeholder cooperation between local communities, companies, NGOs, and governments for improved sustainability of culinary tourism.

*Global Sustainable Practices in Gastronomic Tourism* explores sustainability principles in relation to culinary tourism, including its effects on the environment, society, and economy. It examines how sustainable tourism practices incorporate gastronomic heritage, emphasizing the value of maintaining regional food systems and culinary customs. This book covers topics such as conservation and preservation, social media, and waste management and is a useful resource for hospitality and tourism professionals, economists, environmental scientists, marketers, business owners, academicians, and researchers.

*Global Perspectives on Soft Power Management in Business* Kankaew, Kannapat, 2023-10-09 *Global Perspectives on Soft Power Management in Business* provides a comprehensive exploration of the impactful role of soft power in influencing socio-economic dynamics. In today's interconnected world, soft power drives economic growth through the dissemination of beliefs, cultures, shared norms, and popular trends, creating a country's brand image. This edited volume brings together scholars from diverse academic backgrounds to objectively discuss and analyze the sustainable management, design thinking, and integration of soft power. The book delves into the pros and cons of soft power impact, explores soft power knowledge management in different industries, examines soft power marketing and presentation strategies, and investigates the relationship between technology and soft power. Moreover, it emphasizes that success in the global marketplace is not solely reliant on technological advancements but also on the added value of products through sophisticated services, a concept encompassed by soft power. This book proves invaluable to undergraduate and graduate students studying business, cultural, and hospitality management, as well as professionals in public and private organizations, universities, professors, and lecturers, policy makers, and those in the film and music industry.
