Feminist Frontiers 9th Edition :

Reading Feminist Theory Susan Archer Mann, Ashly Suzanne Patterson, 2016 Reading Feminist Theory From Modernity to Postmodernity interweaves classical and contemporary writings from the social sciences and the humanities to represent feminist thought from the late eighteenth century to the present Editors Susan Archer Mann and Ashly Suzanne Patterson pay close attention to the multiplicity and diversity of feminist voices visions and vantage points by race class gender sexuality and global location Along with more conventional forms of theorizing this anthology points to multiple sites of theory production both inside and outside of the academy and includes personal narratives poems short stories zines and even music lyrics Offering a truly global perspective the book devotes three chapters and more than thirty readings to the topics of colonialism imperialism and globalization It also provides extensive coverage of third wave feminism poststructuralism queer theory postcolonial theory and transnational feminisms Finding Feminism Alison Dahl Crossley, 2017-04-25 The contemporary tactics of millennial feminists who are part of an active movement for social change In 2014 after a young man murdered six students at the University of California Santa Barbara and then killed himself the news provoked an eye opening surge of feminist activism Fueled by the wide circulation of the killer s hateful manifesto and his desire to exact revenge upon young women feminists online and offline around the world clamored for a halt to such acts of misogyny Despite the widespread belief that feminism is out of style or dead this mobilization of young women fighting against gender oppression was overwhelming In Finding Feminism Alison Dahl Crossley analyzes feminist activists at three different U S colleges revealing that feminism is alive on campuses but is complex nuanced and context dependent Young feminists are carrying the torch of the movement despite a climate that is not always receptive to their claims These feminists are engaged in social justice organizing in unexpected contexts and spaces such as multicultural sororities student government and online Sharing personal stories of their everyday experiences with inequality the young women in Finding Feminism employ both traditional and innovative feminist tactics They use the Internet and social media as a tool for their activism what Alison Dahl Crossley calls Facebook Feminism The university as an institution simultaneously aids and constrains their fight for gender equality Offering a stunning and hopeful portrait of today s young feminist leaders Finding Feminism provides insight into the contemporary feminist movement in America **Matricentric Feminism: Theory, Activism, Practice. The 2nd Edition** Andrea O'Reilly, 2021-04-04 The 2nd edition includes a new preface that considers how matricentric feminism in positioning mothering as a verb affords a gender neutral understanding of motherwork and allows for an appreciation of how motherwork is deeply gendered and how this may be challenged and changed through empowered mothering The book argues that the category of mother is distinct from the category of woman and that many of the problems mothers face are specific to women s role and identity as mothers Indeed mothers are oppressed under patriarchy as women and as mothers Consequently mothers need a feminism of their own one that positions mothers

concerns as the starting point for a theory and politic of empowerment O'Reilly terms this new mode of feminism matricentric feminism and the book explores how it is represented and experienced in theory activism and practice **The Oxford Handbook of U.S. Women's Social Movement Activism** Holly J. McCammon, Verta A. Taylor, Jo Reger, Rachel L. Einwohner, 2017 The Oxford Handbook of U.S. Women's Social Movement Activism provides a comprehensive examination of scholarly research and knowledge on a variety of aspects of women's collective activism in the United States tracing both continuities and critical changes over time **Matricentric Feminism** Andrea O'Reilly, 2016-10-01 The book argues that the category of mother is distinct from the category of woman and that many of the problems mothers face social economic political cultural psychological and so forth are specific to women's role and identity as mothers Indeed mothers are oppressed under patriarchy as women and as mothers Consequently mothers need a feminism of their own one that positions mothers concerns as the starting point for a theory and politic of empowerment O'Reilly terms this new mode of feminism matricentric feminism and the book explores how it is represented and experienced in theory activism and practice The chapter on maternal theory examines the central theoretical concepts of maternal scholarship while the chapter on activism considers the twenty first century motherhood movement Feminist mothering is likewise examined as the specific practice of matricentric feminism and this chapter discusses various theories and strategies on and for maternal empowerment Matricentric feminism is also examined in relation to the larger field of academic feminism here O'Reilly persuasively shows how matricentric feminism has been marginalized in academic feminism and considers the reasons for such exclusion and how such may be challenged and changed Prophecy and Power: Jeremiah in Feminist and Postcolonial Perspective Christl M. Maier, Carolyn J. Sharp, 2014-03-27 This volume advances the scholarly discussion of Jeremiah via rigorous feminist and postcolonialist theorizing of texts and interpretive issues in that prophetic book The essays here by seasoned scholars of Jeremiah offer significant traction on the biblical book's construction of the persona of Jeremiah and the subjectivity of Judah as subaltern analysis of gendered imagery for the speaking subject in Jeremiah and for the Judean social body exploration of rhetorics of imperialism and resistance and theological implications of feminist critical perspectives on YHWH and other deities represented in Jeremiah Essays here deftly synthesize historical literary and ideological critical insights in service of nuanced inquiry into Jeremiah as complex cultural production The collection represents the growing edge of recent critical thinking on Jeremiah in the United States Europe and elsewhere It should prove invaluable in shaping the parameters of the continuing scholarly conversation on the Book of Jeremiah **Soul of Society** Mary Nicole Warehime, 2014-09-30 As social scientists we are called to investigate society A powerful component of understanding society can be found when researching the lives of children and youth This volume provides a glimpse into these lives The New Black Sociologists Marcus A. Hunter, 2018-07-04 The New Black Sociologists follows in the footsteps of 1974's pioneering text Black Sociologists Historical and Contemporary Perspectives by tracing the organization of its forbearer in key thematic ways This new collection of

essays revisit the legacies of significant Black scholars including James E Blackwell William Julius Wilson Joyce Ladner and Mary Pattillo but also extends coverage to include overlooked figures like Audre Lorde Ida B Wells James Baldwin and August Wilson whose lives and work have inspired new generations of Black sociologists on contemporary issues of racial segregation feminism religiosity class inequality and urban studies

Ethics and Diversity in Business Management Education Mary Godwyn, 2015-05-23 This book examines business education from the perspective of the social sciences and humanities specifically sociology and ethics In particular it offers the rare combination of liberal arts and business management education which is used to investigate how aspects of business education might be responsible for and connected to the distribution of wealth that currently dominates the global economy Through interviews with business ethics faculty members students and graduates around the world as well as attendance in business ethics classes and examination of classroom materials the author presents patterns of theory perspectives and outcomes from culturally and geographically diverse business schools This research provides insights into how business ethics educators are responding to the growing diversity in student populations and the dual crises of environmental destruction and lack of ethical stewardship The book also discusses alternative discourses within business schools and makes recommendations for future improvements

The Gender Knot Allan Johnson, 2014-10-19 New Third Edition The Gender Knot Allan Johnson's response to the pain and confusion that men and women experience by living with gender inequality explains what patriarchy is and isn't how it works and what gets in the way of understanding and doing something about it Johnson's simple yet powerful approach avoids the paralyzing trap of guilt blame anger and defensive denial that often results from conversations about gender This edition features Updated references data resources and examples especially in relation to issues of sexual orientation and gender identity e.g. gay marriage transgender cisgender A glossary of terms A new chapter What Changes and What Does Not Manhood and Violence that provides an extended analysis of the causes of men's violence as a patriarchal phenomenon
