## **First Position Melissa Brayden:**

First Position Melissa Brayden, 2016-08-16 Anastasia Mikhelson is the rising star of the New York City Ballet. She's a sacrificed creature, comforts a social life as well as her own physical well-being for perfection in dance. Even her reputation as The Ice Queen doesn't faze her. Though Ana's at the peak of her career, competition from a new and noteworthy dancer puts all she's worked for in jeopardy. While Natalie Frederico has shown herself to be a prodigy when it comes to ballet, she much prefers modern dance and living on her own terms. Life is too short for anything else. However, when the opportunity to dance with the New York City Ballet is thrust upon her, it's not like she could say no. Dealing with the company's uptight lead is another story, however. When the two are forced to work side by side, sparks begin to fly on-stage and off. **Strawberry**

**Summer** Melissa Brayden, 2017-04-18 Just because you're through with your past doesn't mean it's through with you. Margaret Beringer didn't have an easy adolescence. She hated her name, was less than popular in school, and was always cast aside as a farm kid. However, with the arrival of Courtney Carrington, Margaret's youth sparked into color. Courtney was smart, beautiful, and put together everything Margaret wasn't. Who would have imagined that they'd fit together so perfectly? But first loves can scar. Margaret hasn't seen Courtney in years, and that's for the best. But when Courtney loses her father and returns to Tanner Peak to take control of the family store, Margaret comes face-to-face with her past and the woman she's tried desperately to forget. The fact that Courtney has grown up more beautiful than ever certainly doesn't help matters.

**Love Like This** Melissa Brayden, 2018-10-16 Sometimes the most imperfect match is the most perfect surprise. Hadley Cooper believes in happily ever afters with her whole heart. Described by her friends as a wide-eyed eternal optimist, she looks for the bright side in most any situation. However, when her job as the assistant manager of Silhouette, a posh boutique on Rodeo Drive, is on the line, she realizes it's time to pull her head out of the clouds and find a way to turn business around, and that just might mean partnering with the most stubborn, up-and-coming fashion designer she's ever encountered. Spencer Adair has a passion for fashion but hates the fact that it rhymes. She's serious about her designs, fiercely protective of her work, and is waiting patiently for her big break. What she didn't plan on, however, was the unsolicited opinions of that overly friendly blond boutique manager. Or the way her heart beats faster every time she's around. Eyes Like Those Melissa Brayden, 2017-10-17 When it comes to love, no one is in charge. Isabel Chase is reeling. She's just been offered her dream job as a staff writer on one of the hottest shows on television, and quickly trades in the comfort of New England for sun, sand, and everything Hollywood. While stoked for what could be her big break, the show's stunning executive producer has her head spinning, and her feelings swirling. Taylor Andrews is at the top of her career. Everything she touches turns to gold, and the studios know it. Just when she's on track for total television domination, Isabel Chase arrives in her office and slowly turns her world upside down. Isabel is intelligent, sarcastic, and dammit, downright beautiful. Unfortunately, she's the one person that can take away all Taylor has worked for. Will Isabel's success lead to Taylor's downfall? Or perhaps Isabel is all she needs.
