Stewardship Peter Block, 2013-05-20 Revised and expanded, this classic guide to business leadership presents an original and profound new view on how to run an organization. Library Journal. Despite all the evidence calling for change, most organizations still rely on patriarchy and control as their core form of governance. In *Stewardship*, Peter Block calls for a dramatic shift in how we distribute power, privilege, and the control of money. *Stewardship*, he writes, is the willingness to be accountable for the well-being of the larger organization by operating in service rather than in control of those around us. Block has revised and updated the book throughout, including a new introduction addressing what has changed and what hasn't in the twenty years
