Women Politics And Public Policy Jacquetta Newman And :

Women, Politics, and Public Policy Jacquetta Newman, Jacquetta A. Newman, Linda Ann White, 2006 Discussions of women's politics often treat feminist theory the women's movement and public policy making as separate entities In this text Jacquetta Newman and Linda White argue that the three are closely entwined and that understanding the intersections between them is essential to understanding women and politics in Canada *Women Politics and Public Policy* explores how Canadian women's struggles against gender bias and oppression relate to political action public policy change and the women's movement as a whole Designed as a core text for first and second year students of political science and women's studies it is equally relevant to disciplines such as sociology history law and social work and will also be an invaluable reference source for more advanced studies **BOOK JACKET**

Women and Politics around the World Joyce Gelb, Marian Lief Palley, 2009-03-30 A unique two volume examination of the progress women have made in achieving political equality *Women and Politics around the World* addresses both transnational and gender related issues as well as specific conditions in more than 20 countries *Women and Politics around the World A Comparative History and Survey* is an exploration of the role of women in political systems worldwide as well as an examination of how government actions in various countries have an impact on the lives of the female population *Women and Politics around the World* divides its coverage into two volumes The first looks at such crucial issues facing women today as health policy civil rights and education comparing conditions around the world The second volume profiles 22 different countries representing a broad range of governments economies and cultures Each profile looks at the history and current state of women's political and economic participation in a particular country and includes an in depth look at a representative policy The result is a resource unlike any other one that gives students researchers and other interested readers a fresh new way of investigating a truly global issue **New**

Reproductive Technologies and Disembodiment Carla Lam, 2016-04-22 With attention to the ways in which new reproductive technologies facilitate the gradual disembodiment of reproduction this book reveals the paradox of women's reproductive experience in patriarchal cultures as being both and often simultaneously empowering and disempowering A rich exploration of birth appropriation in the West *New Reproductive Technologies and Disembodiment* investigates the assimilation of women's embodied power into patriarchal systems of symbolism culture and politics through the inversion of women's and men's reproductive roles Contending that new reproductive technologies represent another world historical moment both in their forging of novel social relations and material processes of reproduction and their manner of disembodiment of women in unprecedented ways a disembodiment evident in recent visual and literary popular and academic texts this volume locates the roots of this disembodiment in western political discourse A call to feminist political theory to remember the material dimensions of bodies and their philosophical significance *New Reproductive Technologies and Disembodiment* will appeal to scholars of sociology gender studies political and social theory and the study of science

technology and health *Group Politics and Social Movements in Canada* Miriam Smith, 2014-01-01 *Group Politics and Social Movements in Canada* Second Edition updates and expands its exploration of a wide range of organized group and social movement activity in Canadian politics. Particularly distinctive is the inclusion of Quebec nationalism and Aboriginal politics. Many other areas of collective activity are also included: the Occupy movement and anti-poverty organizing, ethnocultural political mobilization, disability, lesbian and gay politics, feminism, farmers and organized interests in agriculture, Christian evangelical groups, environment and health movements. Contributors to the collection employ a number of theoretical perspectives from political science and sociology to describe the evolution of organized groups and movements and to evaluate successes in exercising influence on Canadian politics. Each chapter provides an overview of the group or movement along with an account of its main networks and organizations, strategies, goals, successes, and failures. **Women & Public Policy in Canada** Alexandra Zoriana Dobrowolsky, 2009 *Women and Public Policy in Canada* offers a theoretical and topical approach to studying the public policy issues that specifically affect Canadian women. Written by policy experts from across Canada, this contributed text exposes students to various perspectives and a wealth of expertise. Topics such as the environment, healthcare, Aboriginal women, economic policy, anti-violence policy, immigration, and multiculturalism are covered, giving students insight into the most prevalent issues regarding women and public policy in Canada. **Canadian Parties in Transition, Fourth Edition** Alain-G. Gagnon, A. Brian Tanguay, 2017-01-01 *Canadian Parties in Transition* examines the transformation of party politics in Canada and the possible shape the party system might take in the near future. With chapters written by an outstanding team of political scientists, the book presents a multi-faceted image of party dynamics, electoral behaviour, political marketing, and representative democracy. The fourth edition has been thoroughly updated and includes fifteen new chapters and several new contributors. The new material covers topics such as the return to power of the Liberal Party, voting politics in Quebec, women in Canadian political parties, political campaigning, digital party politics, and municipal party politics. Rethinking Feminist History and Theory Lisa Pasolli, Julia Smith, 2025-01-31 *Rethinking Feminist History and Theory* considers the past, present, and future of feminist history and theory, emphasizing how feminism has influenced the histories of gender, class, and labour and their intersections. This vibrant collection, inspired by the work of historian and women's studies scholar Joan Sangster, features essays from academics across multiple disciplines, highlighting the dynamism of feminist historical scholarship in Canada. The book explores questions such as the following: How has women's resistance and radicalism been expressed, lived, represented, and repressed over the past century? How do we research these phenomena? How do we situate feminism in relation to other movements for egalitarian social change? Contributors explicitly address these recurring themes, aiming to chart new directions for future research and teaching. While primarily Canadian-focused, the collection includes global perspectives with contributions from scholars in Chile, Finland, Sweden, and the UK. The essays emphasize the importance of cross-disciplinary collaboration, incorporating

insights from labour studies political economy anthropology legal studies and feminist theory Ultimately Rethinking Feminist History and Theory engages deeply with Sangster's rich and wide ranging work to understand and interpret women's experiences It seeks to inspire future scholarship and teaching in feminist history and theory showcasing the ongoing relevance and adaptability of feminist perspectives

Group Politics and Social Movements in Canada, Second Edition Miriam Smith, 2014-04-04 Group Politics and Social Movements in Canada Second Edition updates and expands its exploration of a wide range of organized group and social movement activity in Canadian politics Particularly distinctive is the inclusion of Quebec nationalism and Aboriginal politics Many other areas of collective activity are also included the Occupy movement and anti poverty organizing ethnocultural political mobilization disability lesbian and gay politics feminism farmers and organized interests in agriculture Christian evangelical groups environment and health movements Contributors to the collection employ a number of theoretical perspectives from political science and sociology to describe the evolution of organized groups and movements and to evaluate successes in exercising influence on Canadian politics Each chapter provides an overview of the group or movement along with an account of its main networks and organizations strategies goals successes and failures

Changing Politics of Canadian Social Policy, Second Edition James J. Rice, Michael J. Prince, 2013-03-05 A consistent bestseller since its publication in 2000 Changing Politics of Canadian Social Policy is a one of a kind resource in the fields of political science and social work Examining current conditions affecting the development of social policies in Canada this book offers in depth critical analysis of how these policies first arose and the implications they pose for future policy development This new edition of Changing Politics of Canadian Social Policy features updated chapters while retaining the first edition's analytical focus on economic globalization societal pluralization and social protection The authors offer fresh considerations of gender relations and families community agencies and the voluntary sector as well as the social policy activities of all levels of government in the Canadian federation Changing Politics of Canadian Social Policy will continue to provide the much needed groundwork for students and policymakers as well as propose real solutions for the future

The Palgrave Handbook of Gender, Sexuality, and Canadian Politics Manon Tremblay, Joanna Everitt, 2020-11-20 The Palgrave Handbook of Gender Sexuality and Canadian Politics offers the first and only handbook in the field of Canadian politics that uses gender which it interprets broadly as inclusive of sex sexualities and other intersecting identities as its category of analysis Its premise is that political actors' identities frame how Canadian politics is thought told and done in turn Canadian politics as a set of ideas state institutions and decision making processes and civil society mobilizations does and redoes gender Following the standard structure of mainstream introductory Canadian politics textbooks this handbook is divided into four sections ideologies institutions civil society and public policy each of which contains several chapters on topics commonly taught in Canadian politics classes The originality of the handbook lies in its approach each chapter reviews the basics of a given topic from the perspective of gendered sexualized and other

intersectional identities Such an approach makes the handbook the only one of its kind in Canadian Politics *Provinces* Christopher Dunn, 2016-01-01 *Provinces* is now established as the most comprehensive yet accessible exploration of Canadian provincial politics and government The authors of each chapter draw on their particular expertise to examine themes and issues pertaining to all the provinces from a comparative perspective The book is organized into four major sections political landscapes the state of democracy in the provinces political structures and processes and provincial public policy The third edition features eleven new chapters including province building provincial constitutions provincial judicial systems plurality voting in the provinces voting patterns in the provinces provincial public service provincial party financing provincial health policy social policy climate change and labour market policy All other chapters have been thoroughly revised and updated **The Oxford Handbook of Canadian Politics** John C. Courtney, David E. Smith, 2010-04-08 Canada officially achieved legislative autonomy in 1931 and has since developed into one of the world's most prosperous democracies Though its political system is widely commended for its stability and fairness it is nonetheless extremely complex Particularly within the past five decades Canada has undergone a vast social and political revolution as exhibited by events such as the Quiet Revolution in Quebec the ratification of the Charter of Rights and Freedoms the Medical Care Act of 1966 and the official adoption of bilingualism and multiculturalism As the world moves towards globalization technology has likewise facilitated communication between previously isolated provinces and territories within Canada Such developments hold significant implications for the role of Canadian politics both domestically and internationally The Oxford Handbook of Canadian Politics provides a comprehensive overview of the transformation that has occurred in Canadian politics since the country achieved autonomy examining the institutions and processes of Canadian government and politics at the local provincial and federal levels It analyzes all aspects of the Canadian political system the courts elections political parties Parliament the constitution fiscal and political federalism the diffusion of policies between regions and various aspects of public policy The Handbook examines recent trends such as the movement towards minority Parliaments and extrapolates potential developments This handbook represents the work of a distinguished array of contributors including some of the world's most prominent scholars of political science This volume renders an objective authoritative portrait of the Canadian political system it is indispensable to anyone interested in the topic *Opening Doors Wider* Sylvia Bashevkin, 2010-01-01 From the days of the fur trade through the contemporary period women have played important roles in the public life of Canada Until the 1970s however these contributions were generally overlooked *Opening Doors Wider* looks at the progress made in the last forty years to raise the profile of women's involvement in public life The contributors focus on two questions with reference to community activism the politics of feminist organizing parties and elections and the communications environment in which politicians operate First are the doors to participation presently open wider than they were in the past Second how can these doors be opened wider both in terms of real world participation and our scholarly understanding of

public engagement These tightly argued essays shed new light on the quality of public involvement of women in one of the world's most stable democracies The nuanced discussion of solutions as well as problems makes it an indispensable resource for students and practitioners of politics at all levels **Critical Policy Studies** Michael Orsini, Miriam Smith, 2011-11-01

Traditional definitions of public policy in Canada have been challenged in recent years by globalization the transition to a knowledge based economy and the rise of new technologies Critical Policy Studies describes how new policy problems such as border screening and global warming have been catapulted onto the agenda in the neo liberal era The book also surveys the recent evolution of critical approaches to policy studies which have transformed decades old issues Contributors conceptualize the ways in which public policy questions cut across the traditional fields of policy They cover both topical approaches such as Foucauldian and post empiricist analysis and new applications of established perspectives such as political economy Conventional methodologies reveal new connotations when used to explore such topics as security issues Canadian sovereignty welfare reform environmental protocol Aboriginal policy and reproductive technologies Critical Policy Studies provides an alternative to existing approaches to policy studies and will be welcomed by scholars students and practitioners of political science and public policy *Reproductive Acts* Heather Latimer, 2013-06-01 Forty years after Roe v Wade it is evident that the ideologies of choices and rights which have publicly framed reproductive politics in North America since the landmark legal decision have been inadequate in making sense of the topic's complexities In *Reproductive Acts* Heather Latimer investigates what contemporary fiction and film can tell us about the divisive nature of these politics and demonstrates how fictional representations of reproduction allow for readings of reproductive politics that are critical of the terms of the debate itself In an innovative argument about the power of fiction to engage and shape politics Latimer analyzes works by authors such as Margaret Atwood Kathy Acker Toni Morrison Larissa Lai and director Alfonso Cuarón among others to claim that the unease surrounding reproduction particularly the abortion debate has increased both inside and outside the US over the last forty years Fictional representation Latimer argues reveals reproductive politics to be deeply connected to cultural anxieties about gender race citizenship and sexuality anxieties that cannot be contained under the rules of individual rights or choices Striking a balance between fictional historical and political analysis *Reproductive Acts* makes a compelling argument for the vital role narrative plays in how we make sense of North American reproductive politics **Beyond**

Bylines Barbara M. Freeman, 2012-08-01 *Beyond Bylines* Media Workers and Women's Rights in Canada explores the ways in which several of Canada's women journalists broadcasters and other media workers reached well beyond the glory of their personal bylines to advocate for the most controversial women's rights of their eras To do so some of them adopted conventional feminine identities while others refused to conform altogether openly and defiantly challenging the gender expectations of their day The book consists of a series of case studies of the women in question as they grappled with the concerns close to their hearts higher education for women healthy dress reforms the vote equal opportunities at work

abortion lesbianism and Aboriginal women's rights Their media reflected their respective eras intellectual magazines daily and weekly newspapers radio feminist public relations alternative women's periodicals and documentary film made for television Barbara Freeman takes an interdisciplinary approach combining biography history and communication studies to demonstrate how their use of different media both enabled and limited these women in their ability to be daring advocates for gender equality She shows how a number of these women were linked through the generations by their memberships in activist women's organizations

Inside the Local Campaign Alex Marland,Thierry Giasson,2022-09-01 Inside the Local Campaign reveals what goes on in constituency campaigns during a Canadian election It brings to light the key roles of candidates and their supporters on the ground in an election and demonstrates that local electioneering matters For decades the media has focused primarily on the national campaign and party leaders and the practice of canvassing for votes by candidates and their supporters has been seen as more tradition than science But things have evolved in the age of digital media Local level campaigning is more fashionable and critical for gathering data that can be used post election Inside the Local Campaign provides an up to date look at local level campaigning during a Canadian federal election Using the 2021 federal campaign as an anchor an impressive collection of authors and practitioners discusses local level campaigning in electoral districts across the country highlights local trends and on the ground roles and discloses hidden details about how local campaigns are run

Patriation and Its Consequences Lois Harder,Steve Patten,2015-06-17 Few moments in Canadian history are as intriguing as the political battle between Prime Minister Pierre Trudeau and the Gang of Eight provincial premiers who opposed his plans to patriate Canada's constitution from Britain This volume revisits these constitutional negotiations including the personalities visions and political struggles that shaped the resulting constitutional agreement Offering fresh perspectives on the politics of this key moment in Canadian history it focuses on the players behind the patriation process including First Nations and feminist activists who helped shape Canada's new constitution Patriation and Its Consequences also explores the long shadow of patriation including the alienation of Quebec the character of Canadian federalism Indigenous constitutionalism and Aboriginal treaty rights and the struggle to ensure gender equality rights in Canada

The Candidacy Calculation Angelia Wagner,2025-07-15 The Candidacy Calculation examines how perceptions of barriers to candidacy in Canada differ by social economic and political backgrounds Through semi structured interviews with 101 individuals from diverse social backgrounds geographical locations and political ideologies this book uncovers both new and previously overlooked challenges such as online harassment and social media scandals while also offering a deeper understanding of traditional barriers like financial constraints work life balance employment issues partisanship and family responsibilities The findings demonstrate that individual considerations regarding candidacy are much more complex than previously thought Drawing on an intersectional approach the book analyses how factors such as gender race ethnicity sexuality age and other social attributes intersect to create unique barriers to political careers thereby

presenting a nuanced view of the candidate emergence process in Canada By rigorously testing the role of political ambition in fostering diversity in political representation The Candidacy Calculation compares the experiences of women and men various social groups and individuals who have become candidates with those who have not The book aims to assist policymakers and activists in identifying solutions to overcome barriers and enhance opportunities for increasing candidacy among under represented groups in politics **Equality Governance via Policy Analysis?** Arn T. Sauer,2018-11-08

Gender impact assessment has been both celebrated as a beacon of hope for the cause of gender equality and criticised as being ineffectual More than 20 years of gender mainstreaming have demonstrated that equality governance with and through impact assessment is an intersectional and still evolving process Arn T Sauer s study examines the instruments of gendered policy analysis and the conditions under which they are being used by the Canadian federal government and the European Commission Interviews with experts from public administration and instrument designers as well as document analyses reveal benefits and challenges and show that the success of equality governance depends upon whether knowledge about gendered policy and appropriate administrative practices are embedded embodied and entrenched in public administration
