

Women Entrepreneurship Development under Islamic Perspective- A Study on Some Selected Muslim Women Entrepreneurs of Bangladesh

Md Jahirul Hoque¹ Md Azizur Rahman² and Sultana Razia³

Women entrepreneurship development is an essential part of human resource development. The development of women entrepreneurship is not up to the desire level in Bangladesh. Entrepreneurship amongst women has been a recent concern. Women have become aware of their existence rights and work situation. The main research issues are: examining the Islamic Verses as well as Shariah provisions as regards women entrepreneurship, identifying the critical factors for the success of women entrepreneurship in the context of Bangladesh, assessing the socio-demographic and other variables relating to the selected entrepreneurs, identifying the major barriers faced by selected entrepreneurs in the perspectives of i) their own family ii) their society iii) their business enterprises and iv) their religion and suggesting probable measures to overcome the barriers hampering the selected entrepreneurship development in order to ensure sustainable development of women entrepreneurship in the country. The study through extensive survey from two important cities of Bangladesh involved qualitative research using Questionnaire Survey by using both open and close end questions. The total sample size is 350 women entrepreneurs of Bangladesh. It is found that there are no religious barriers for women to choose entrepreneurship which is permitted in Islam. The study found that of the various critical factors for success of women entrepreneurship namely, sharing success/profit with employees, hard labor, sincerity and honesty, pleasant behavior, availability of sufficient startup capital, entrepreneurship skill, experience and quality of products and services have been recognized as the most significant factors. The study has identified a number of barriers dimensions such as administrative inferiority, financing, political and religious culture which impeding women entrepreneurship development in the country which need to be addressed.
