**Frank Manchel**

## **What Makes Sammy Run Budd Schulberg:**

**What Makes Sammy Run?** Budd Schulberg, 2011-05-25 What Makes Sammy Run Everyone of us knows someone who runs He is one of the symptoms of our times from the little man who shoves you out of the way on the street to the go getter who shoves you out of a job in the office to the Fuehrer who shoves you out of the world And all of us have stopped to wonder at some time or another what it is that makes these people tick What makes them run This is the question Schulberg has asked himself and the answer is the first novel written with the indignation that only a young writer with talent and ideals could concentrate into a manuscript It is the story of Sammy Glick the man with a positive genius for being a heel who runs through New York's East Side through newspaper ranks and finally through Hollywood leaving in his wake the wrecked careers of his associates for this is his tragedy and his chief characteristic his congenital incapacity for friendship An older and more experienced novelist might have tempered his story and in so doing destroyed one of its outstanding qualities Compromise would mar the portrait of Sammy Glick Schulberg has etched it in pure vitriol and dissected his victim with a precision that is almost frightening When a fragment of this book appeared as a short story in a national magazine Schulberg was surprised at the number of letters he received from people convinced they knew Sammy Glick's real name But speculation as to his real identity would be utterly fruitless for Sammy is a composite picture of a loud and spectacular minority bitterly resented by the many decent and sincere artists who are trying honestly to realize the measureless potentialities of motion pictures To this group belongs Schulberg himself who has not only worked as a screen writer since his graduation from Dartmouth College in 1936 but has spent his life literally in the heart of the motion picture colony In the course of finding out what makes Sammy run an operation in which the reader is spared none of the grue some details Schulberg has poured out everything he has felt about that place The result is a book which the publishers not only believe to be the most honest ever written about Hollywood but a penetrating study of one kind of twentieth century success that is peculiar to no single race of people or walk of life

**What Makes Sammy Run?** Charles Tate, Royal Alexandra Theatre (Toronto, Ont.), 1965 *Politics, Desire, and the Hollywood Novel* Chip Rhodes, 2008-09 The story of what happens when a serious writer goes to Hollywood has become a cliché the writer is paid well but underappreciated treated like a factory worker and forced to write bad formulaic movies Most fail become cynical drink to excess and at some point write a bitter novel that attacks the film industry in the name of high art Like many too familiar stories this one neither holds up to the facts nor helps us understand Hollywood novels Instead Chip Rhodes argues these novels tell us a great deal about the ways that Hollywood has shaped both the American political landscape and American definitions of romance and desire Rhodes considers how novels about the film industry changed between the studio era of the 1930s and 1940s and the era of deregulated film making that has existed since the 1960s He asserts that Americans are now driven by cultural rather than class differences and that our mainstream notion of love has gone from repressed desire to abnormal desire to finally strictly

business Politics Desire and the Hollywood Novel pays close attention to six authors Nathanael West Raymond Chandler Budd Schulberg Joan Didion Bruce Wagner and Elmore Leonard who have toiled in the film industry and written to tell about it More specifically Rhodes considers both screenplays and novels with an eye toward the different formulations of sexuality art and ultimately political action that exist in these two kinds of storytelling

**Los Angeles** John Walton Caughey, LaRee Caughey, 2023-09-01 Los Angeles City of Angels A city with a remarkable history over 200 years old Interwoven with the Caughey s commentary are over 100 of the choicest essays on Los Angeles The saga of cowtown turned post war metropolis unfolds before the reader Los Angeles City of Angels A city with a remarkable history over 200 years old Interwoven with the Caughey s commentary are over 100 of the choicest essays on Los Angeles The saga of cowtown turned post war metropolis unfolds before the reader

*Vocal Selections from What Makes Sammy Run* Ervin Drake, 1993 Bachelor Gal The Friendliest Thing Two People Can Do My Hometown A Room Without Windows Some Days Everything Goes Wrong Something to Live For A Tender Spot You re No Good

Jüdische Literatur und Kultur in Grossbritannien und den USA nach 1945 Beate Neumeier, 1998

**Hollywood and Anti-Semitism** Steven Alan Carr, 2001 This book examines the role of American Jews in the entertainment industry from the turn of the century to the outbreak of World War II Eastern European Jewish immigrants are often credited with building a film industry during the first decade of the twentieth century that they dominated by the 1920s In this study Steven Carr reconceptualizes Jewish involvement in Hollywood by examining prevalent attitudes towards Jews among American audiences Analogous to the Jewish Question of the nineteenth century which was concerned with the full participation of Jews within public life the Hollywood Question of the 1920s 30s and 40s addressed the Jewish population within mass media This study reveals the powerful set of assumptions concerning ethnicity and media influence as related to the role of the Jew in the motion picture industry

**New York Magazine** , 1981-08-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

**Stanley Kubrick** Nathan Abrams, 2018-04-19 Stanley Kubrick is generally acknowledged as one of the world s great directors Yet few critics or scholars have considered how he emerged from a unique and vibrant cultural milieu the New York Jewish intelligentsia Stanley Kubrick reexamines the director s work in context of his ethnic and cultural origins Focusing on several of Kubrick s key themes including masculinity ethical responsibility and the nature of evil it demonstrates how his films were in conversation with contemporary New York Jewish intellectuals who grappled with the same concerns At the same time it explores Kubrick s fraught relationship with his Jewish identity and his reluctance to be pegged as an ethnic director manifest in his removal of Jewish references and characters from stories he adapted As he digs deep into rare Kubrick archives to reveal insights about

the director's life and times film scholar Nathan Abrams also provides a nuanced account of Kubrick's cinematic artistry. Each chapter offers a detailed analysis of one of Kubrick's major films including *Lolita*, *Dr Strangelove*, *2001 A Space Odyssey*, *Orange Is the New Black*, *Barry Lyndon*, *The Shining*, *Full Metal Jacket*, and *Eyes Wide Shut*. Stanley Kubrick thus presents an illuminating look at one of the twentieth century's most renowned and yet misunderstood directors.

*In Search of The Thin Man* Philip Zwerling, 2024-02-14 The man who created the boldest hard-boiled fiction Dashiell Hammett wrote *The Thin Man* in 1933 and launched the fun-loving booze-swilling mystery-solving couple Nick and Nora Charles into American culture. MGM sold millions of movie tickets by casting William Powell and Myrna Loy as this classiest of romantic couples. Over 14 years and six films these stars navigated grave periods of history: the Great Depression, World War II, and the Cold War. The novel and films live on as gems of a unique gritty sophistication. This complete history of *The Thin Man* series covers the brightest stars, tastiest scandals, headlines, and conflicts behind these classic films. With a cast of hundreds, we see Hammett, his lover Lillian Hellman, and their friend Dorothy Parker fight alcoholism, sexual convention, and Senator Joe McCarthy in culture wars of eerie contemporaneity.

*Film Study* Frank Manchel, 1990 The four volumes of *Film Study* include a fresh approach to each of the basic categories in the original edition. Volume one examines the film as film; volume two focuses on the thematic approach to film; volume three draws on the history of film; and volume four contains extensive appendices listing film distributors, sources, and historical information, as well as an index of authors, titles, and film personalities.

*The Cult of Individualism* Aaron Barlow, 2013-08-27 American individualism. It is the reason for American success, but it also tears the nation apart. Why do Americans have so much trouble seeing eye to eye today? Is this new? Was there ever an American consensus? *The Cult of Individualism: A History of an Enduring American Myth* explores the rarely discussed cultural differences leading to today's seemingly intractable political divides. After an examination of the various meanings of individualism in America, author Aaron Barlow describes the progression and evolution of the concept from the 18th century on, illuminating the wide division in Caucasian American culture that developed between the culture based on the ideals of the English Enlightenment and that of the Scots-Irish Borderers. The Borderer legacy, generally explored only by students of Appalachian culture, remains as pervasive and significant in contemporary American culture and politics as it is unfortunately overlooked. It is from the Borderers that the Tea Party sprang, along with many of the attitudes of the contemporary American right, making it imperative that this culture be thoroughly explored.

*Second Opinion* Isadore Rosenfeld, 1981 Championing the value of consulting more than one doctor when disabled with a serious disease or disorder, Rosenfeld describes a number of alternative treatments for one hundred of the most common disorders.

*Tender is the Night (The Original 1934 Edition)* Francis Scott Fitzgerald, 2023-11-20 In *Tender is the Night*, Francis Scott Fitzgerald delves into the glamorous and turbulent world of the American expatriates in the 1920s. The novel follows the lives of Dick and Nicole Diver, exploring the complexities of marriage, mental health, and the destructive impact of wealth and status. Fitzgerald's beautiful prose captures

the essence of the Jazz Age while simultaneously providing a poignant commentary on human nature and the effects of societal expectations. The novel's structure with its non-linear narrative and intricate character development showcases Fitzgerald's literary prowess and ability to create a vivid and immersive story. *Tender is the Night* stands as a classic example of American literature showcasing the author's keen insight into the human condition and skillful storytelling. Francis Scott Fitzgerald himself led a troubled life marked by personal struggles and the pursuit of societal success. His own experiences with wealth and excess likely informed the themes present in *Tender is the Night*, making the novel a deeply personal and introspective work. Fitzgerald's reputation as a literary giant of the 20th century further solidifies the importance of *Tender is the Night* in the realm of American literature. I recommend *Tender is the Night* to readers looking for a thought-provoking and emotionally resonant novel that explores the complexities of human relationships and societal expectations. Fitzgerald's masterful storytelling and profound insights make this novel a must-read for anyone interested in classic literature.

*Tender is the Night* Francis Scott Fitzgerald, 2023-11-29 In *Tender is the Night* F. Scott Fitzgerald explores the intricate dynamics of love and ambition against the backdrop of the glamorous yet disillusioned expatriate life of the 1920s. The novel employs a lyrical and modernist style marked by shifting perspectives and deep psychological insights, allowing readers to witness the gradual unraveling of the enigmatic Dick Diver and his wife Nicole. Set along the French Riviera, Fitzgerald weaves a poignant narrative that critiques the American Dream, exposing the fragility of human relationships amidst the seductive allure of wealth and hedonism. Fitzgerald, undoubtedly influenced by his experiences among the affluent social circles of Europe, writes with a rawness that reflects his own struggles with identity, love, and artistic integrity. As he experienced his own tumultuous marriage to Zelda Sayre and witnessed the ravages of alcoholism, these themes seep into his portrayal of the Diver's tumult, making the novel both a personal and universal commentary on the existential dilemmas of the post-war generation. Readers seeking a profound exploration of the human condition will find *Tender is the Night* an essential addition to their literary collection. Fitzgerald's intricate characterizations and rich symbolism offer not only a narrative but a critical reflection on the costs of ambition and love, resonating with the timeless quest for meaning in a complex world.

**The Collaboration** Ben Urwand, 2013-09-10 To continue doing business in Germany, Hollywood studios agreed not to make films attacking Nazis or condemning persecution of Jews. Ben Urwand reveals this collaboration and the cast of characters it drew in, ranging from Goebbels to Louis B. Mayer. At the center was Hitler himself, obsessed with movies and their power to shape public opinion.

**The Oxford Handbook of American Immigration and Ethnicity** Ronald H. Bayor, 2016 What is the state of the field of immigration and ethnic history? What have scholars learned about previous immigration waves and where is the field heading? These are the main questions as historians, linguists, sociologists, and political scientists in this book look at past and contemporary immigration and ethnicity. Provided by publisher. **A**

**Theology of the Cross** Charles B. Cousar, 1990-05-01 In Paul's epistles, the crucifixion story reveals a God who is free and in

no way bound by human categories or expectations Yet God in Christ chooses to be engaged in the very depths of the human predicament The message of the crucifixion is that God s power is manifested in weakness not in strength The author believes that this weakness as strength should be the focal point of the church s identity However a celebration of weakness is in complete opposition to traditional American beliefs in personal strength and a powerful church      *The Non-Fiction Writings of F. Scott Fitzgerald* F. Scott Fitzgerald,2017-12-06 Musaicum Books presents to you this carefully created volume of The Non Fiction Writings of F Scott Fitzgerald This ebook has been designed and formatted to the highest digital standards and adjusted for readability on all devices Table of Contents Essays and Articles Poems Prose Parody and Humor Reviews Public Letters and Statements Introductions and Blurbs Francis Scott Key Fitzgerald 1896 1940 was an American author well known for his short stories and novels He is widely regarded as one of the greatest writers American soil has produced in the 20th century      *The Oxford History of the Novel in English* Priscilla Wald,Michael A. Elliott,2014-01-21 Witnessing the end of a war that nearly terminated the nation the abolition of racial slavery and rise of legal segregation the rise of Modernism and Hollywood the closing of the frontier and two World Wars the literary historical period represented in this volume constitutes the crucible of American literary history Here 35 essays by top researchers in the field detail how considerations of race and citizenship immigration and assimilation gender and sexuality nationalism and empire all reverberate throughout novels written in the United States between 1870 and 1940 Contributors discuss the professionalization of literary production after the Civil War alongside legal and political debates over segregation and citizenship while chapters on journalism geography religion and immigration offer discussions on everything from the lasting role of literary realism in American fiction to the Spanish American War s effect on developing theories of aesthetics and popular culture The volume offers thorough coverage of the emergence of serial fiction children s fiction crime and detective fiction science fiction and even cinema and comics as new media and artistic revolutions like the Harlem Renaissance helped usher in the new international aesthetic movement of Modernism The final chapters in the volume explore the relationship of the novel to the emergence of American literature as a category in the academy in public criticism and journalism and in mass culture

## **What Makes Sammy Run Budd Schulberg** Book Review: Unveiling the Magic of Language
