Asian Comparative Constitutional Law, Volume 1

Ngoc Son Bui, Mara Malagodi, 2023-05-18 This is the first in

a 4 volume set that provides the definitive account of the major issues of comparative constitutional law in 19 Asian jurisdictions Volume 1 explores the process and contents in the making of a new constitution The book provides answers to questions on the causes processes substance and implantation involved in making new constitutions such as What are the political social and economic factors that drive the constitution making How are constitutions made and who makes them What are the substantive contents of constitution making What kinds of legislation are enacted to implement constitutions How do courts enforce constitutions The book considers the impact of decolonisation globalisation and social political dynamics which have led to the enactment of numerous independent constitutions in Asia including Vietnam 2013 Nepal 2015 and Thailand 2017 The jurisdictions covered include Bangladesh Cambodia China Hong Kong India Indonesia Japan Malaysia Mongolia Myanmar Nepal North Korea the Philippines Singapore South Korea Sri Lanka Taiwan Thailand and Vietnam An essential reference for those interested in Asian constitutional law The Weaponizing of Language in the Classroom and Beyond Kisha C. Bryan,Luis Javier Pentón Herrera,2023-12-04 In this edited volume language weaponization or the weaponization of language is used to describe the process in which words discourse and language in any form can be used to inflict harm on others The term harm is of vital importance because it refers to how specific groups of people are affected by ideologies and practices that normalize inequity and injustice in their environments The contributions in this book explore how language ideologies practices and policies can physically emotionally socially and or economically disadvantage or harm minoritized individuals as well as their cultures and languages Bangladesh - Culture Smart! Urmi Rahman,Culture Smart!,2014-12-01 Bangladesh is a young country with an ancient history Situated on the lush green and fertile land of the Ganges delta the country gained its independence from Pakistan in 1971 It is a land of writers saints scholars and artists famous for its music dance and drama folklore festivals and celebrations and its distinctive culinary tradition When you first arrive in Bangladesh you may be overwhelmed by the crowds the traffic jams the humidity and the lack of familiar facilities However your perspective will quickly change as you come to know its people Generosity honesty integrity and good humour are all traits common to this land Today 80 percent of the population live in rural areas and Bangladesh remains for the most part a very traditional society adhering to customs and norms that go back hundreds of years As such an understanding of Bangladeshi culture is critical Culture Smart Bangladesh will introduce you to the culture and the people beyond the stereotypes and headlines It offers clear advice on what to expect and how to behave in different social situations Whether you are a tourist or you are traveling on business it will equip you with the tools you need to make the most of your trip Welcome to Bangladesh Bangladeshe swagato **Religious Offences in Common Law Asia** Li-ann Thio,Jaclyn L Neo,2021-02-25 This book provides in depth comparative analysis of how religious penal clauses have been developed and employed within Asian common law states and the impact of such developments on constitutional rights By examining the theoretical and conceptual underpinnings of religious offences as well as interrogating the nature and impact

of religious penal clauses within the region it contributes to the broader dialogue in relation to religious penal clauses globally whether in countries which practise forms of secular or religious constitutionalism Asian practice is significant in this respect given the centrality of religion to social life and indeed in some jurisdictions to constitutional or national identity Providing rigorous studies of common law jurisdictions that have adopted similar provisions in their penal code the contributors provide an original examination and analysis of the use and development of these religious clauses in their respective jurisdictions They draw upon their insights into the background sociopolitical and constitutional contexts to consider how the inter relationship of religion and state may determine the rationale and scope of religious offences These country by country chapters inform the conceptual examination of religious views and sentiments as a basis for criminality and the forms of harm that attract legal safeguards Several chapters examine these questions from a historical and comparative perspective considering the underlying bases and scope as well as evolving objectives of these provisions Through these examinations the book critically interrogates the legacy of colonialism on the criminal law and constitutional practice of various Asian states

Views from Inside Joy Egbert, Gisela Ernst-Slavik, 2017-12-01 The goal of this text is to help teachers in diverse classrooms understand the importance of students culture languages and schooling experiences to curriculum assessment and student achievement Readers will learn about aspects of specific cultures and languages that are important to their understanding of their students and they will discover that cultures that are often considered similar may not be so and why they aren't Finally the text focuses on how teachers can integrate languages and cultures into classrooms and how to account for students backgrounds and funds of knowledge when devising tasks The text starts with an introduction to language and culture that presents a research based explanation of why these concepts are important for teachers to understand Chapter 1 Then the middle 28 chapters each address one country culture Each chapter starts with a school scenario in the US Part 2 of each chapter includes evidence based demographic and background data on the country including historical events that may have an impact on our students and their families Part 3 includes a look at education schooling and culture including famous people contributions to the world personal characteristics important religious information focal customs and other aspects that are important to cultural insiders Part 4 is about language and literacy traditions and how they relate to the culture a number of words that teachers can learn e.g. yes no thank you please hello how the language is different from and similar to English and what those differences and similarities might mean for English language learners from that culture Part 5 comprises advice resources and ideas for teachers for example if it is an oral culture the teacher might consider working with students on oral storytelling before transitioning to written stories or incorporate both using technology Each chapter also contains recommended readings and resources and short exercises that extend the chapter information The final chapter presents parting notes for teachers and additional suggestions for addressing diversity

The Spectral Wound Nayanika Mookherjee, 2015-10-23 Following the 1971 Bangladesh War the

Bangladesh government publicly designated the thousands of women raped by the Pakistani military and their local collaborators as birangonas brave women Nayanika Mookherjee demonstrates that while this celebration of birangonas as heroes keeps them in the public memory they exist in the public consciousness as what Mookherjee calls a spectral wound Dominant representations of birangonas as dehumanized victims with disheveled hair a vacant look and rejected by their communities create this wound the effects of which flatten the diversity of their experiences through which birangonas have lived with the violence of wartime rape In critically examining the pervasiveness of the birangona construction Mookherjee opens the possibility for a more politico economic ethical and nuanced inquiry into the sexuality of war *Asian Islam in the 21st Century* John L. uncovers the lives of local reporters and broadcasters who stayed on a story to the point of death He searches for the moment in which each of his protagonists understood that they were willing to die and finds complex reasons for their bravery In his wonderfully vivid portraits of seven courageous souls he brings their lives and the stories they worked on to light telling truth to those who would murder truth tellers [Tweeting to Freedom](#) Jim Willis,Anthony R. Fellow,2017-06-15

This book provides an insightful and comprehensive look at the issues regarding the use of the Internet and social media by activists in more than 30 countries and how many governments in these countries are trying to blunt these efforts to promote freedom The innovators who created social media might never have imagined the possibility that activists living in countries where oppressive conditions are the norm would use social media to call for changes to bring greater freedom opportunity and justice to the masses The attributes of social media that make it so powerful for casual socializing the ability to connect with nearly limitless numbers of like minded individuals instantaneously enables political activists to recruit communicate and organize like never before This book examines three aspects of the use of social media for political activism the degrees of media freedom practiced in countries around the world the methods by which governments attempt to block access to information and the various ways in which activists use the media especially social media to advance their cause of greater freedoms Readers will learn how these political uprisings came from the grassroots efforts of oppressed and unhappy citizens desperate to make better lives for themselves and others like them and how the digital age is allowing them to protest and call attention to their plights in unprecedented ways
