fact that there was no way to make a living as a professional rugby player in this country So Nate gave his dad the news that he planned to quit rugby and go out for the football team at Ohio State University with an eye toward making the NFL As a goal for someone who hadn't even played high school football this was completely ridiculous Without blinking his father told him that if he gave up what he had built in rugby he had to see it through It was the last conversation they ever had the next day his father was brutally murdered at work by a would be robber Nate went on to make the Ohio State team and when NFL Draft Day came he was selected by the New England Patriots Three Super Bowl rings later his legacy in the sport is secure But he got another unexpected chance to honor his father's memory when the Olympics admitted rugby as a sport for the 2016 Games Against long odds he made the team and competed in Rio in the sport he and his father loved above all others An astonishing story of what a father will do for a son and what a son will do for a father Finish Strong is a powerful reminder that the lessons parents embody for their children continue to bear fruit long after they are gone **Ford Focus**
