The Chronology of American Literature Daniel S. Burt, 2004. If you are looking to brush up on your literary knowledge, check a favorite author's work, or see a year's bestsellers at a glance, *The Chronology of American Literature* is the perfect resource. At once an authoritative reference and an ideal browser's guide, this book outlines the indispensable information in America's rich literary past, from major publications to lesser-known gems, while also identifying larger trends along the literary timeline.
