## **Freedom Walkers:**

**Freedom Riders** Raymond Arsenault, 2006-01-15 They were black and white young and old men and women In the spring and summer of 1961 they put their lives on the line riding buses through the American South to challenge segregation in interstate transport Their story is one of the most celebrated episodes of the civil rights movement yet a full length history has never been written until now In these pages acclaimed historian Raymond Arsenault provides a gripping account of six pivotal months that jolted the consciousness of America The Freedom Riders were greeted with hostility fear and violence They were jailed and beaten their buses stoned and firebombed In Alabama police stood idly by as racist thugs battered them When Martin Luther King met the Riders in Montgomery a raging mob besieged them in a church Arsenault recreates these moments with heart stopping immediacy His tightly braided narrative reaches from the White House where the Kennedys were just awakening to the moral power of the civil rights struggle to the cells of Mississippi's infamous Parchman Prison where Riders tormented their jailers with rousing freedom anthems Along the way he offers vivid portraits of dynamic figures such as James Farmer Diane Nash John Lewis and Fred Shuttlesworth recapturing the drama of an improbable almost unbelievable saga of heroic sacrifice and unexpected triumph The Riders were widely criticized as reckless provocateurs or outside agitators But indelible images of their courage broadcast to the world by a newly awakened press galvanized the movement for racial justice across the nation Freedom Riders is a stunning achievement a masterpiece of storytelling that will stand alongside the finest works on the history of civil rights

**Freedom Walk** Mary Stanton, 2011-03-04 In 1963 the streams of religious revival racial strife and cold war politics were feeding the swelling river of social unrest in America Marshaling massive forces civil rights leaders were primed for a widescale attack on injustice in the South By summer the conflict rose to great intensity as Blacks and whites clashed in Birmingham Outside the massive drive Bill Moore a white mail carrier had made his own assault a few months earlier Jeered and assailed as he made a solitary civil rights march along the Deep South highways he was ridiculed by racists as a crazy man His well publicized purpose to walk from Chattanooga to Jackson and hand deliver a plea for racial tolerance to Ross Barnett the staunchly segregationist governor of Mississippi On April 23 on a highway near Attalla Alabama this lone crusader was shot dead Although he was not a nobly ideal figure handpicked by shapers of the movement inadvertently he became one of its earliest martyrs and until now part of an overlooked chapter in the history of the civil rights movement Floyd Simpson a grocer and a member of the Gadsden Alabama chapter of the Ku Klux Klan was charged with Moore's murder A week later a white college student named Sam Shirah led five Black and five white volunteers into Alabama to finish Moore's walk They were beaten and jailed Four other attempts to complete the postman's quest were similarly stymied Moore had kept a journal that detailed his goal Using it along with interviews and extensive newspaper and newsreel reports Mary Stanton has documented this phenomenal freedom walk as seen through the eyes of Moore Shirah and the gunman the three protagonists Though all shared a deep

love of the South their strong feelings about who was entitled to walk its highways were in deadly conflict      **The Making of Black Revolutionaries** James Forman,1972 This eloquent and provocative autobiography originally published in 1972 records a day by day sometimes hour by hour compassionate account of the events that took place in the streets meetings churches jails and in people s hearts and minds in the 1960s civil rights movement During the 1960s James Forman served as Executive Secretary and Director of International Affairs of the Student Nonviolent Coordinating Committee He is now Distinguished Adjunct Professor of Anthropology at American University in Washington D C and President of the Unemployment and Poverty Action Committee He is the author of six other books      **Human-Robot Interaction Strategies for Walker-Assisted Locomotion** Carlos A.
