From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central And Eastern Europe Since 1973

Ivan T. Berend

From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central And Eastern Europe Since 1973:

From the Soviet Bloc to the European Union Ivan T. Berend, 2009-02-12 The Soviet Union's dramatic collapse in 1989 was a pivotal moment in the complex history of Central and Eastern Europe and Ivan Berend here offers a magisterial new account of the dramatic transformation that culminated in ten former Soviet Bloc countries joining the European Union. Taking the OPEC oil crisis of 1973 as his starting point he charts the gradual unravelling of state socialism in Central and Eastern Europe its ultimate collapse in the revolutions of 1989 and the economic restructuring and lasting changes in income employment welfare education and social structure which followed. He pays particular attention to the crucial role of the European Union as well as the social and economic hurdles that continue to face former Eastern bloc nations as they try to catch up with their Western neighbours. This will be essential reading for scholars and students of European and economic history European politics and economics.

Die neue Ordnung auf dem alten Kontinent Philipp Ther, 2014-10-20 Als im November 1989 die Mauer fiel begann ein Großexperiment kontinentalen Ausmaßes. Die ehemaligen Staaten des Ostblocks wurden binnen kurzer Zeit auf eine neoliberale Ordnung getrimmt und dem Regime der Privatisierung und Liberalisierung unterworfen. Diese Transformation brachte Gewinner und Verlierer hervor. Russland glitt in ein wirtschaftliches Chaos ab, auf dem Präsident Putin sein autoritäres Regime begründete. Länder wie Polen Tschechien oder Ungarn erholten sich und sind heute Mitglieder der EU. Während Warschau und andere Hauptstädte sich zu Boomtowns entwickelten verarmten ländliche Regionen. In seinem elektrisierenden Buch Jens Bisky SZ legt Philipp Ther eine umfassende zeithistorische Analyse der neuen Ordnung auf dem alten Kontinent vor und zwar erstmals in gesamteuropäischer Perspektive. Er räumt mit einigen Mythen rund um 1989 auf und präsentiert eine erste Bilanz der neoliberalen Ordnung.

The Routledge History of East Central Europe Since 1700 Irina Livezeanu, Arpad von Klimó, 2017-03-16 Covers territory from Russia in the east to Germany and Austria in the west exploring the origins and evolution of modernity in this region. Provided by the publisher.

Die ungarische Gesellschaft im Wandel Tibor Valuch, 2020-01-28 Der ungarische Systemwandel 1989/90 schuf die Möglichkeit eines bis dahin unvorstellbaren sozialen und wirtschaftlichen Bergangs. Dieser Band untersucht die Prozesse und Folgen dieses Wandels, indem er Antworten und auf folgende Fragen sucht: Welche Faktoren haben die gesellschaftliche Position einzelner Menschen und Gruppen beeinflusst? Inwiefern betraf die Privatisierung die Einkommensverhältnisse und die soziale Ungleichheit? Zum Verständnis der gesellschaftlichen Tatsachen ist eine Analyse von Mentalität Wertesystem öffentlichem Denken politischem Handeln und Alltag nötig. Welche Gewohnheiten Wertvorstellungen und Mentalitätselemente leben fort, welche Lebens- und berufsstrategien haben sich seit dem Systemwechsel herausgebildet?

Eastern Europe since 1945 Geoffrey Swain, Nigel Swain, 2017-10-26 An established introductory textbook that provides students with an engaging overview of the complex developments in Eastern Europe from the end of the Second World War through to the present.

Tracing the origins of the socialist experiment de Stalinisation and the transition from socialism to capitalism it explores the key events in each nation s recent history This is an ideal core text for dedicated modules on Eastern European History or Europe since 1945 including Central Europe and the Balkans or a supplementary text for broader modules on Modern European History or European Political History which may be offered at all levels of an undergraduate history politics or European studies degree In addition it is a crucial resource for students who may be studying the recent history of Eastern Europe for the first time as part of a taught postgraduate degree in Modern European history European politics or European studies New to this Edition A fully revised new edition of an established text updated throughout to incorporate the latest research Provides coverage of recent events Offers increased focus on social and cultural history with greater emphasis on everyday life and experiences in Eastern Europe

Estlands Außen- und Sicherheitspolitik I Fabian Pfeiffer, 2012-10-01

Nach Wiedererlangung der staatlichen Unabh ngigkeit war die estnische Au enpolitik gepr gt von zwei wesentlichen Faktoren der schnellen Anbindung an den Westen und der euroatlantischen Sicherheitsarchitektur Das Hauptziel der Au enpolitik Estlands war daher sowohl eine Vollmitgliedschaft in der Europ ischen Union als auch in der NATO Diese Studie konzentriert sich auf einen weiteren eher vernachl ssigten Aspekt estnischer Au enpolitik nach 1991 den estnischen Atlantizismus Die Untersuchung basiert auf der These dass die estnische Au enpolitik zwischen 1991 und 2004 von einer starken transatlantischen Orientierung gepr gt war und fragt welche Faktoren diesen au enpolitischen Kurs des Landes determiniert haben Die Studie gelangt zu dem Ergebnis dass f r eine gr ndliche Erkl rung nicht alleine sicherheitspolitische Faktoren herangezogen werden k nnen Gleichfalls w rde eine Erkl rung zu kurz greifen die einzig eine berformung durch historische Erfahrungen mit den Vereinigten Staaten von Amerika Westeuropa und Russland als Determinanten estnischer Au enpolitik heranzieht Vielmehr sind es historisch kulturelle sicherheitspolitische und gesellschaftliche Faktoren die gemeinsam den instinktiven Atlantizismus Estlands in den Neunzigern ausmachten Diese Studie liefert nicht nur einen theoriegeleiteten Erkl rungsansatz estnischer Au enpolitik gegen ber den Vereinigten Staaten nach 1991 sondern stellt gleichzeitig auch einen Ansatz zur Diskussion der eine grunds tzliche Besch ftigung mit dem Ph nomen des Atlantizismus in Mitteleuropa erm glichen kann

The 1989 Revolutions in Central and Eastern Europe Kevin McDermott, Matthew

Stibbe, 2015-11-01 This important book reassesses a defining historical political and ideological moment in contemporary history the 1989 revolutions in central and eastern Europe Adopting a multi disciplinary approach the authors reconsider such crucial themes as the broader historical significance of the 1989 events the complex interaction between external and internal factors in the origins and outcomes of the revolutions the impact of the Gorbachev phenomenon the West and the end of the Cold War the political and socio economic determinants of the revolutionary processes in Poland Hungary the German Democratic Republic Czechoslovakia Romania and Bulgaria and the competing academic cultural and ideological perceptions of the year 1989 as communism gave way to post communist pluralism in the 1990s and beyond Concluding that

the contentious term revolution is indeed apt for the momentous developments in eastern Europe in 1989 this book will be essential reading for undergraduates postgraduates and specialists alike **Südosteuropa** Marie-Janine Calic,2016-09-26 Der Balkan das war von den europ ischen Zentren aus betrachtet immer das Fremde Exotische und R ckst ndige Marie Janine Calic schreibt die Geschichte S dosteuropas als Weltgeschichte und hinterfragt dabei die g ngigen Stereotype ber die Region Die Bewohner S dosteuropas teilen viele gemeinsame Erfahrungen und bis heute sind ihre Schicksale wechselseitig eng miteinander verkn pft Eine gemeinsame Identit t sucht man dennoch vergeblich Stattdessen hat sich hier eine einzigartige Vielfalt herausgebildet die sich nicht zuletzt berregionalen Bez gen verdankt Werden und Wandel S dosteuropas von der Antike bis zur Gegenwart werden daher in diesem Buch nicht blo aus der Region selbst erkl rt sondern aus einer globalgeschichtlichen Perspektive neu betrachtet Dabei zeigt sich dass der Austausch mit dem Rest der Welt eine viel gr ere Rolle gespielt hat als es in den g ngigen historischen Darstellungen zum Ausdruck kommt *Embattled Europe* Konrad H. Jarausch,2024-10-29 A bracing corrective to predictions of the European Union s decline by a leading historian of modern Europe Is the European Union in decline Recent history from the debt and migration crises to Brexit has led many observers to argue that the EU s best days are behind it Over the past decade right wing populists have come to power in Poland Hungary and beyond many of them winning elections using strident anti EU rhetoric At the same time Russia poses a continuing military threat and the rise of Asia has challenged the EU s economic power But in *Embattled Europe* renowned European historian Konrad Jarausch counters the prevailing pessimistic narrative of European obsolescence with a rousing yet realistic defense of the continent one grounded in a fresh account of its post 1989 history and an intimate understanding of its twentieth century horrors An engaging narrative and probing analysis *Embattled Europe* tells the story of how the EU emerged as a model of democratic governance and balanced economic growth adapting to changing times while retaining its value system The book describes the EU s admirable approach to the environment social welfare immigration and global competitiveness And it presents underappreciated European success stories including Denmark s transition to a green economy Sweden s restructuring of its welfare state and Poland s economic miracle *Embattled Europe* makes a powerful case that Europe with its peaceful foreign policy social welfare solidarity and environmental protection offers the best progressive alternative to the military adventurism and rampant inequality of plutocratic capitalism and right wing authoritarianism

Technology and the Environment in State-Socialist Hungary Viktor Pál,2017-09-15 This book explains how and why the state socialist regime in Hungary used technology and propaganda to foster industrialization and the conservation of natural resources simultaneously Further this book explains why this process was ultimately a failure By exploring the environmental pre history of communist Hungary before analyzing the economic development of the K d r regime P l investigates how economic and environmental policies and technology transfer were negotiated between the official communist ideology and the global economic reality of capitalist markets P l argues that the modernization project of the K d r regime 1956 1990

facilitated ecological consciousness at both an individual and societal level which provoked great social unrest when positive environmental impact was not achieved Today global issues of climate change urban pollution resource depletion and overpopulation transcend political systems but economic and environmental discourses varied greatly in the twentieth century This volume is important reading for all those interested in economic and environmental history as well as political science

Socially Engaged Art after Socialism Izabel Galliera, 2017-05-30 Reclaiming public life from the ideologies of both communist regimes and neoliberalism their projects have harnessed the politically subversive potential of social relations based on trust reciprocity and solidarity Drawing on archival material and exclusive interviews in this book Izabel Galliera traces the development of socially engaged art from the early 1990s to the present in Bulgaria Hungary and Romania She demonstrates that in the early 1990s projects were primarily created for exhibitions organized and funded by the Soros Centers for Contemporary Art In the early 2000s prior to Bulgaria Hungary and Romania entering into the European Union EU institutions likewise funded socially conscious public art in the region Today socially engaged art is characterised by the proliferation of independent and often self funded artists initiatives in cities such as Sofia Bucharest and Budapest Focusing on the relationships between art social capital and civil society Galliera employs sociological and political theories to reveal that while social capital is generally considered a mechanism of exclusion in the West in post socialist contexts it has been leveraged by artists and curators as a vital means of communication and action

Poland and European East-West Cooperation in the 1970s Aleksandra Komornicka, 2023-09-20 This book offers an international reading of the Polish socialist regime s history in the 1970s and its opening up to the West It bridges Poland s socialist domestic history with critical developments of the global and European 1970s including d tente in the Cold War western European integration and globalisation In this period of international transformations socialist Poland under Edward Gierek s leadership multiplied its economic and political contacts with capitalist countries especially western Europe and became a leader of East West cooperation among Council for Mutual Economic Assistance and Warsaw Pact members Relying on sources from public and corporate archives in five different European states the book demonstrates both that the global political and economic transformations of that period were critical for the decision making process in Poland and moreover that the national socialist elites participated in shaping these transformations By looking at the goals and expectations of the Polish socialist elites and their practices of political and economic exchanges with western Europe the book explains the logic which drove the socialist regime into entanglement with the West As is shown here this entanglement proved inextricable and critical for the socialist regime s failure and Poland s political and economic future This book will be of much interest to students of European history cold war studies socialism studies and International Relations

Industrial Policy in Europe after 1945 C. Grabas, A. Nützenadel, 2014-03-31 Bringing together renowned scholars in the field with younger researchers this interdisciplinary study of the history of post war industrial policy in Europe investigates transfers across borders and locates

industrial policy in the context of the Cold War from a global perspective **The Economic History of Central, East and South-East Europe** Matthias Morys, 2020-12-29 The collapse of communism in Central East and South East Europe CESEE led to great hopes for the region and for Europe A quarter of a century on the picture is mixed in many CESEE countries the transformation process is incomplete and the economic catch up has taken longer than anticipated The current situation has highlighted the need for a better understanding of the long term political and economic implications of the Central East and South East European historical experience This thematically organised text offers a clear and comprehensive guide to the economic history of CESEE from 1800 to the present day Bringing together authors from both East and West the book also draws on the cutting edge research of a new generation of scholars from the CESEE region Presenting a thoroughly modern overview of the history of the region the text will be invaluable to students of economic history and CESEE area studies

The Cambridge Handbook of the Global Work-Family Interface Kristen M. Shockley, Winny Shen, Ryan C. Johnson, 2018-04-26 The Cambridge Handbook of the Global Work Family Interface is a response to growing interest in understanding how people manage their work and family lives across the globe Given global and regional differences in cultural values economies and policies and practices research on work family management is not always easily transportable to different contexts Researchers have begun to acknowledge this conducting research in various national settings but the literature lacks a comprehensive source that aims to synthesize the state of knowledge theoretical progression and identification of the most compelling future research ideas within field The Cambridge Handbook of the Global Work Family Interface aims to fill this gap by providing a single source where readers can find not only information about the general state of global work family research but also comprehensive reviews of region specific research It will be of value to researchers graduate students and practitioners of applied and organizational psychology management and family studies

Europe and the East Mark Hewitson, Jan Vermeiren, 2023-05-14 This volume investigates competing ideas images and stereotypes of a European East exploring its role in defining European and national conceptions of self and other since the eighteenth century Through a set of original case studies this collection explores the intersection between discourses about a more distant exotic or colonial Orient with a more immediate East The book considers this shifting imaginary border from different points of view and demonstrates that the location definition and character of the East often associated with socio economic backwardness and other unfavourable attributes depended on historical circumstances political preferences cultural assumptions and geography Spanning two centuries this study analyses the ways that changing ideals and persistent clichéd attitudes have shaped the conversation about and interpretations of Eastern Europe Europe and the East will be essential reading for anyone interested in images and ideas of Europe European identity and conceptions of the East in intellectual and cultural history **Europe's Growth Champion** Marcin Piatkowski, 2018-03-01 What makes countries rich What makes countries poor Europe's Growth Champion Insights from the Economic Rise of Poland seeks to answer these

questions and many more through a study of one of the biggest and least heard about economic success stories Over the last twenty five years Poland has transitioned from a perennially backward poor and peripheral country to unexpectedly join the ranks of the world s high income countries Europe s Growth Champion is about the lessons learned from Poland s remarkable experience the conditions that keep countries poor and the challenges that countries need to face in order to grow It defines a new growth model that Poland and its Eastern European peers need to adopt to grow and catch up with their Western counterparts Poland s economic rise emphasizes the importance of the fundamental sources of growth institutions culture ideas and leaders in economic development It demonstrates that a shift from an extractive society where the few rule for the benefit of the few to an inclusive society where many rule for the benefit of many can be the key to economic success IEurope s Growth Champion asserts that a newly emerged inclusive society will support further convergence of Poland and the rest of Central and Eastern Europe with the West and help to sustain the region s Golden Age It also acknowledges the future challenges that Poland faces and that moving to the core of the European economy will require further reforms and changes in Poland s developmental character

Institutions, Human Development and Economic Growth in Transition Economies P. Tridico,2011-07-19 This book analyses the development path of transition economies in European Countries and former Soviet Republics that have experienced the transformation from planned economies to market economies since the fall of the Berlin wall in 1989 It examines economic growth institutional change and human development performance

Out of Ashes Konrad H. Jarausch,2016-08-29 A sweeping history of twentieth century Europe that examines its unprecedented destruction and abiding promise A sweeping history of twentieth century Europe Out of Ashes tells the story of an era of unparalleled violence and barbarity yet also of humanity prosperity and promise Konrad Jarausch describes how the European nations emerged from the nineteenth century with high hopes for continued material progress and proud of their imperial command over the globe only to become embroiled in the bloodshed of World War I which brought an end to their optimism and gave rise to competing democratic communist and fascist ideologies He shows how the 1920s witnessed renewed hope and a flourishing of modernist art and literature but how the decade ended in economic collapse and gave rise to a second more devastating world war and genocide on an unprecedented scale Jarausch further explores how Western Europe surprisingly recovered due to American help and political integration Finally he examines how the Cold War pushed the divided continent to the brink of nuclear annihilation and how the unforeseen triumph of liberal capitalism came to be threatened by Islamic fundamentalism global economic crisis and an uncertain future A gripping narrative Out of Ashes explores the paradox of the European encounter with modernity in the twentieth century shedding new light on why it led to cataclysm inhumanity and self destruction but also social justice democracy and peace

A Modern Guide to Adult Learning Systems Richard Desjardins,Jan Kalenda,2025-08-11 This book presents a comprehensive overview of Adult Learning Systems ALS in post industrial market democracies situating

them within historically and spatially comparative contexts It illustrates the diverse ways in which different systems have responded to the shared and specific challenges involving organised adult learning

This book delves into From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central And Eastern Europe Since 1973. From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central And Eastern Europe Since 1973 is a vital topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central And Eastern Europe Since 1973, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central And Eastern Europe Since 1973
- Chapter 2: Essential Elements of From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central And Eastern Europe Since 1973
- Chapter 3: From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central And Eastern Europe Since 1973 in Everyday Life
- Chapter 4: From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central And Eastern Europe Since 1973 in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central And Eastern Europe Since 1973. This chapter will explore what From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central And Eastern Europe Since 1973 is, why From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central And Eastern Europe Since 1973 is vital, and how to effectively learn about From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central And Eastern Europe Since 1973.

3. In chapter 2, this book will delve into the foundational concepts of From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central And Eastern Europe Since 1973. The second chapter will elucidate the essential principles that need to be understood to grasp From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central And Eastern Europe Since 1973 in its entirety.

4. In chapter 3, the author will examine the practical applications of From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central And Eastern Europe Since 1973 in daily life. This chapter will showcase real-world examples of how From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central

And Eastern Europe Since 1973 can be effectively utilized in everyday scenarios.

5. In chapter 4, this book will scrutinize the relevance of From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central And Eastern Europe Since 1973 in specific contexts. This chapter will explore how From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central And Eastern Europe Since 1973 is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central And Eastern Europe Since 1973. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of From The Soviet Bloc To The European Union The Economic And Social Transformation Of Central And Eastern Europe Since 1973.
