## **From Jerusalem To Irian Jaya:**

**From Jerusalem to Irian Jaya** Ruth Tucker, 2004 A revised edition of a highly acclaimed textbook on the history of Christian missions From publisher s description **What in the World is God Doing?** C. Gordon Olson, 2003 Veteran missionary and missiologist C Gordon Olson has distilled his knowledge and experience to produce an introductory text to missions that is marked by its balance between theory and practice Factors Behind the Ukrainian Evangelical Missionary Surge from 1989 to 1999 John Edward White, 2020-03-16 Throughout its history the Soviet Union was one of the most closed places in the world to missionary work As perestroika came in the late 1980s and the Soviet Union fell in 1991 a spiritual vacuum formed as massive numbers of people became interested in Christianity An unprecedented freedom allowed evangelicals to engage in missionary work Much has been written about foreign evangelical missionary work during this period but virtually nothing has been written about nationals doing ministry This book examines the remarkable surge in Ukrainian evangelical missionary work from 1989 to 1999 Both Baptists and Pentecostals engaged in a wave of missions flowing from Ukraine to the end of the earth Siberia What were these pioneering missionaries like What motivated them What enabled them to do what had been forbidden for so long What legacy did they leave for us today What can we learn from their example for future missions This book also looks at how a surge in missions takes place analyzing the factors behind the Ukrainian evangelical missionary surge by looking at different models for change Here we consider what steps can we take to help bring about new missionary surges *Global Witness Through Weakness* Joseph M. Lear, 2025-04-18 The apostle Paul is recognized as the paramount example of what it means to be a Christian missionary committed to the cause of Christ In his Second Epistle to the Corinthians we read of the struggles he endured in establishing the church in Corinth These struggles gave rise to his expos of his own paradoxical life and ministry based on his firm conviction that strength only comes through weakness Paul in his confessed weakness poured out his life as a participant in the sufferings and death of the Savior He believed that only in such participation would resurrection grace and power be released for the salvation of lost humanity This letter is a powerful blueprint for missionary training institutes and sending agencies as they prepare select and send missionaries to the four corners of the earth **A. Yount, 2016-10-25 This volume looks at the Third Great Awakening one of the most exciting times in the history of American Christianity A B Simpson s impact on the Third Great Awakening and his influence on the modern church is examined Emphasis is placed on the denomination he founded the Christian and Missionary Alliance Simpson s message the Fourfold Gospel is also explored The Fourfold Gospel is Christ as the Christian s Savior Sanctifier Healer and Coming King The denomination Simpson founded took this message not only to North America but also throughout the world Five movements made up the Third Great Awakening and Simpson s contribution to each one is examined These five movements include Evangelizing Holiness Movement Healing Movement Pre millennial Movement and Urban and Worldwide Outreach As this book concludes with a

**Overcoming the World Missions Crisis** Russell Penney, A wake up call to evangelicals to return to the biblical mandate and model for missions before we have no unique message to proclaim An alarming view of missions in the twenty first century

Christianity, Islam and Nationalism in Indonesia Charles E. Farhadian,2005-11-17 Although over eighty percent of the country is Muslim Indonesia is marked by an extraordinary diversity in language ancestry culture religion and ways of life This book focuses on the Christian Dani of West Papua providing a social and ethnographic history of the most important indigenous population in the troubled province It presents a fascinating overview of the Dani s conversion to Christianity examining the social religious and political uses to

which they have put their new religion Based on independent research carried out over many years among the Dani people the book provides an abundance of new material on religious and political events in West Papua Underlining the heart of Christian Muslim rivalries the book questions the fate of religion in late modern times Parade of Faith Ruth A. Tucker,2011-08-23 Part storybook part textbook part historical overview Parade of Faith in ebook format presents the history of Christianity in riveting fashion Ruth Tucker adopts the metaphor of a parade journey or pilgrimage to explore the history of Christianity which began as the Messiah marched out of the pages of the Old Testament and will end one day when the saints go marching in to the New Jerusalem The book is divided into two chronological groupings first the advent of Christianity until the German and Swiss Reformations second the Anabaptist movement and Catholic Reformation until the present day worldwide expansion of the church Yet ultimately the topic matter is not movements dates or a stream of facts but instead people people who still have stories to tell other Christians And with a little help from clues to their own contexts they can still speak clearly today This book is laid out systematically to showcase the biographies of such prominent figures within their historical settings The pages are peppered with sidebars historical what if questions explorations of relevant topics for today personal reflections illustrations and lists for further reading Parade of Faith is an excellent introduction for undergraduate students and interested lay readers **Religions of Melanesia** Garry Trompf,2006-09-30 Melansia boasts over one quarter of the world s distinct religions and presents the most complex religious panorama on earth The region is famous for its unusual new religious movements that have adapted traditional beliefs to modernity in surprising ways As the first bibliographical survey to comprehensively cover the entire region Religions of Melanesia is an invaluable research aid for anyone interested in this growing field Trompf s work is a complete listing of scholarly publications and provides readable and concise descriptions that will clearly guide the researcher toward the most relevant sources This survey covers 2188 entries organized topically and regionally Trompf covers such subjects as traditional and modern belief systems and the emergent indigenous Christianity that has taken root Regional coverage includes Irian Jaya Papua New Guinea Solomon Islands Vanuatu New Caledonia and Fiji **A New Vision, a New Heart, a Renewed Call** David Claydon,2005 *Guiding Light* Kevin George Hovey,2019-04-18 Rev Dr Alan Tippett was arguably one of the leading missiologists of the twentieth century Through his prolific pen poignant observations and powerful insights he significantly influenced mission research and activity in the period of the 1960s to 1980s This was particularly facilitated through his research writing and teaching at the Institute of Church Growth Fuller Theological Seminary School of World Mission and his inaugural editorship of the American Society of Missiology s journal Missiology An International Review Yet for those who did not know Tippett s material well the very specific nature of his research and writing limited the influence of his insights For example without already knowing the pertinent content why would a missionary to Thailand think of reading Tippett s Solomon Islands Christianity However according to Doug Priest editor of a number of Tippett s posthumous publications this volume has done

what even Tippet himself did not do and that is to capture the key features of his missiology in one volume So Guiding Light functions as an in depth overview of The Essential Alan Tippet I can attest that the nature of Tippet s material continued to inform and inspire me throughout the eleven years of the research and writing of this study From 'Stone-Age' to 'Real-Time' Martin Slama,Jenny Munro,2015-04-24 There are probably no other people on earth to whom the image of the stone age is so persistently attached than the inhabitants of the island of New Guinea which is divided into independent Papua New Guinea and the western part of the island known today as Papua and West Papua From Stone Age to Real Time examines the forms of agency frictions and anxieties the current moment generates in West Papua where the persistent stone age image meets the practices and ideologies of the real time a popular expression referring to immediate digital communication The volume is thus essentially occupied with discourses of time and space and how they inform questions of hierarchy and possibilities for equality Papuans are increasingly mobile and seeking to rework inherited ideas institutions and technologies while also coming up against palpable limits on what can be imagined or achieved secured or defended This volume investigates some of these trajectories for the cultural logics and social or political structures that shape them The chapters are highly ethnographic based on in depth research conducted in diverse spaces within and beyond Papua These contributions explore topics ranging from hip hop to HIV AIDS to historicity filling much needed conceptual and ethnographic lacunae in the study of West Papua
