Modern Christianity has strayed far from what the Bible teaches and it is necessary that we return to basic Bible principles and teachings. People of all ages are becoming saved every day and it is necessary for them to start their Christian walk with the proper teachings. This book will help new Christians begin their walk with a good understanding of basic Bible doctrine without any bias, something which has been lost. Much of modern Christianity is based on entertainment as is evidenced by many churches and the TV ministries which are basically nothing more than variety shows. If Christianity is to make any impact in the world as it did in 1517, it is vital that Christians have an understanding of the Bible. This book contains twenty-seven important subjects which have been distorted in the modern church and new Christians need to understand these subjects. This book would also be good for home Bible studies and new believers classes in Sunday schools. This book would also help Christians who are older in the faith or those who have been diverted from the old paths and are just confused as to what they hear being taught in the churches today. This book will help ground new Christians and reground older Christians to return to the truth and foundation of the Scriptures. Other books by this author are *The Modern Version Incursion* and *Bible Prophecy Interpreting the Scriptures According to the Scriptures* *Bible Doctrine Volume Two* Milton

Jones, 2017-02-15 Careful study is required to properly understand and apply Bible Doctrine. This study must be systematic and compass the entire Word of God. This second volume addresses the doctrines of Christ, salvation, the Holy Spirit, and angels. **Fundamentals of Christianity: a Bible Study and Guide** Andrew Barber, 2018-09-15 What is truth? Who is God? Who is Jesus Christ? Who am I? What is the meaning of life and death? Answers to these questions can be found in Dr. Andrew Barber's book *Fundamentals of Christianity: A Bible Study and Guide*. In this book, Christian principles, ethics, doctrines, and beliefs are explored, examined, and explained using the Holy Bible as the authoritative source. This book will guide the reader through the fundamentals of the one true faith. Learn about God, His works, and His will, and teach others. Grow in your knowledge and discover the mysteries revealed in God's Word, for there you will find the answers to your questions, problems, desires, and hopes. All topics, definitions, scriptures, and discussions have been derived directly from God's Word, the Holy Bible.

**Bible Teachings** Joseph Stump, 1915 [Biblical Doctrine](#) John MacArthur, Richard Mayhue, 2017-01-13 Long Awaited Systematic Theology by Well Known Pastor, Author, and President of the Master's Seminary. Doctrine isn't just for theologians; it's important for every Christian because it shows us who God is and how we should live. Systematizing the robust theology that has undergirded John MacArthur's well-known preaching ministry for decades, this overview of basic Christian doctrine covers topics such as God the Father, Jesus Christ, the Holy Spirit, the Bible, salvation, and more. Comprehensive in scope yet written to be accessible to the average reader with non-technical vocabulary, minimal footnotes, and a helpful bibliography, this volume offers Christians a solid foundation for what they believe and why.
