Academic Keywords Cary Nelson, Stephen Watt, 2002-06. Know what academic freedom is. Or what it's come to mean. What's affirmative about affirmative action these days. Think you're up on the problem of sexual harassment on campus. Or know how much the university depends on part-time faculty. *Academic Keywords* is a witty, informed and sometimes merciless assessment of today's campus, an increasingly corporatized institution that may have bitten off more than its administration is ready to chew. Cary Nelson and Steve Watt use the format of a dictionary to present stories and reflections on some of the most pressing issues affecting higher education in America. From the haphazard treatment of graduate students to the use and abuse of faculty as well as abuses committed by faculty, Nelson and Watt present a compelling and at times enraging report on the state of the campus.
