Finley, PhD, Cara Buskmiller, MD, Paul W. Hruz, MD, PhD, Patrick W. Lappert, MD, Andrew Sodergren, PsyD, Lawrence J. Welch, PhD, 2022-07-01 Have man and woman become meaningless categories Public promotion of transgender identities same sex marriage and surrogate parenthood indicate that we no longer view male and female as central to human flourishing Perhaps man and woman amount to nothing more than one's own self expression Many intuitively resist such a view but feel unable to respond in light of woke rhetoric from media driven voices carrying the apparent blessings of science We need to recall who and what we are Sexual Identity The Harmony of Philosophy Science and Revelation takes up anew the questions What is a man and What is a woman Taking a holistic approach the book is co authored by experts from different fields philosophy obstetrics and gynecology endocrinology psychology plastic surgery and theology For the sake of accessibility the style is thoughtful but not academic Each chapter includes review points along with suggestions for further reading The authors include recognized practitioners in their fields who have spoken nationally and internationally to audiences concerned with today's crisis over the meaning of sexuality Sexual Identity assembles these voices into a coherent whole Written by experts for non specialists it offers a comprehensive vision of the human sexual identity male and female It offers much needed

*Gesellschaftstheorie* Hartmut Rosa,Jörg Oberthür,2020-02-17 Die Gesellschaft im stetigen Wandel Permanente Veränderung und konfliktreiche Dynamiken sind wesentliche Merkmale moderner Gegenwartsgesellschaften Unter dem Einfluss der direkten und indirekten Folgen sozialer Prozesse stellt sich die Frage nach der Möglichkeit einer begrifflichen Klammer für die Vielfalt gesellschaftlicher Phänomene erneut und vielleicht dringlicher als je zuvor Das Buch will vor diesem Hintergrund die Antwort auf die Frage nach dem veränderlichen Wesen von Gesellschaft in dreifacher Hinsicht aktualisieren Die vorliegende Einführung in die Gesellschaftstheorie macht anhand ausgewählter Theoretiker und Theoretikerinnen mit der Entwicklung der wesentlichen Grundbegriffe vertraut und verdeutlicht exemplarisch ihre Anwendung in konkreten gegenstandsbezogenen Analysen Zugleich ist dieser Versuch einer Debattenübersicht zur Gesellschaftstheorie aber auch ein Plädoyer für einen starken Gesellschaftsbegriff der Widersprüche Dynamiken und Spannungen aufnimmt ohne das Ziel aufzugeben zu einem besseren Verständnis des Ganzen zu gelangen Invoking the Beyond: Paul D. Collins,Phillip D. Collins,2020-11-22 The Gnostic revival of the Enlightenment witnessed the erection of what could be called the Kantian Rift an epistemological barrier between external reality and the mind of the percipient Arbitrarily proclaimed by German philosopher Immanuel Kant this barrier rendered the world as a terra incognita Suddenly the world out there was deemed imperceptible and unknowable In addition to the outer world the cherished metaphysical certainties of antiquity the soul a transcendent order and God swiftly evaporated The way was paved for a new set of modern mythmakers who would populate the world out there with their own surrogates for the Divine Collectively these surrogates could be referred to as the Beyond

because they epistemologically and ontologically overwhelm humanity In recent years the Beyond has been invoked by theoreticians literary figures intelligence circles and deep state operatives who share some variant of a technocratic vision for the world In turn these mythmakers have either directly or indirectly served elitist interests that have been working toward the establishment of a global government and the creation of a New Man Their hegemony has been legitimized through the invocation of a wrathful earth goddess a technological Singularity a superweapon and extraterrestrial gods All of these are merely masks for the same counterfeit divinity the Beyond
