Curriculum Internationalization and the Future of Education Dikli, Semire, Etheridge, Brian, Rawls, Richard, 2018-02-23 In an effort to enhance the quality of education universities and colleges are developing programs that help faculty and staff internationalize curriculum These programs will purposefully develop the intercultural perspectives of students Curriculum Internationalization and the Future of Education is a critical scholarly resource that examines the steps taken to diversify a number of courses from various disciplines and addresses the challenges with curriculum internationalization Featuring coverage on a broad range of topics such as active learning student engagement and grounded globalism this book is geared towards academics upper level students educators professionals and practitioners seeking current research on curriculum internationalization *Optimize Your School* Lyle Lee Jenkins, 2015-05-06 Lead the change that you want to see in your school Is your school or district heading in the right direction In this essential guide for leaders Lee

Jenkins shows how to unite and energize your team as never before while helping your students to love learning and crave achievement. A trusted advisor to numerous districts, Jenkins knows how to successfully transform school culture for the long term. Beginning with an introduction from scholar Michael Fullan, each chapter presents compelling insights and strategies for leaders addressing how to: Evolve your leadership style to guide, empower, and serve; Apply the principles of continuous strategic improvement as an antidote to win-lose approaches to school accountability; Develop a healthy, positive culture of achievement by deeply engaging your students in their own progress and success. Turn to this resource and prepare to lead positive change from the classroom to the staff room and beyond. This book creates a whole picture approach to school improvement while shunning the current top-down model in favor of a school-led plan. The approach not only increases school performances but values the school-level leadership and instructional faculty. Amanda Mayeaux, Career Management Specialist, Iberville Parish Schools. If your district is ready to move from arbitrary to observable, from fractured to focused, and from silos to systems, you've found the book that can move entire organizations from a goal mindset to a growth mindset. Lee Jenkins provides common sense strategies that impact the efficiency and effectiveness of our classrooms with a clear focus on student growth. In an educational era saturated with the latest remedy for what ails us, Lee provides a refreshing cure by offering simple solutions for lasting change. Dr. Jane Stavem, Associate Superintendent for Instruction, Lincoln Public Schools, Lincoln, NE. Mathematics & Science in the Real World, 2000.
