Copyright Office, 1978 *Resources in Education*, 1997 **Parameters of Morphosyntactic Change** Ans van Kemenade, Nigel Vincent, 1997-05 Even today many passengers including the most frequent flyers associate air travel with a feeling of fear and concern. Basing itself on the premise that people are often afraid of the unknown, author Jorge Ontiveros, a professional of Aena and the author of several publications on this sector, explains all the elements involved in air travel in his new work. It explains airports, their staff, security processes, ground workers and airline employees, a combination of professionals and technology that has made this means of transport by far the safest of all. Safety that is the main objective of all those who take part in this activity and which Jorge Ontiveros, with descriptive and didactic language, tries to transmit so that your next trip is much more pleasurable and pleasant.
