Fundamentals of Organizational Behaviour Stephen P. Robbins, Nancy Langton, 2004 Appropriate for a one semester course This revision of Fundamentals of Organizational Behavior presents all the essential topics in Organizational Behavior in a concise and readable format Fundamentals of Organizational Behaviour takes a practical outcomes based approach applying organizational behaviour concepts to both modern organizations and everyday life **OB: The Essentials** Stephen P. Robbins, Timothy A. Judge, Bruce Millett, 2015-05-20 Robbins Leading the way in OB Written as an alternative to Robbins larger Organisational Behaviour text OB The Essentials is an applied and focused text that will help your students to quickly grasp the essential elements of OB In an engaging 13 chapter format this book retains the fluid writing style academic rigour and extensive use of examples that are trademark features of the Robbins texts While there are less chapters the book continues to provide cutting edge content that is often missing in other OB books this is not merely a

subset of material from Robbins's Organisational Behaviour text it was written from the ground up to present all the essential content in a shorter format. This new text will have broad appeal particularly to visual learners who will appreciate the lively design and extensive use of examples and photographs to aid comprehension and retention of concepts. New co-author Dr Michael Jones of the University of Wollongong brings his avid enthusiasm for student education as well as a solid research background in motivation, commitment and business operations to the new text. Reviewers and users of the Robbins texts regularly report that they are conversational, interesting, student friendly and very clear and understandable. Packed full of pedagogical features that will engage and stimulate your students, OB The Essentials will ensure that they are getting a sound understanding of OB. Features such as the Applying Knowledge and Student Challenge boxes prompt students to apply and think strategically about what they have just learnt.

The Five Essentials of Organizational Excellence Lawrence L. Marazza, 2003-06-18 Marazza offers a prescription for how essential skills can empower school organizations that can ultimately lead to higher student achievement and stakeholder satisfaction. John Pieno, Chairman, Florida Sterling Council. Marazza's book displays both practicality and relevancy in school leadership and examines leadership theories that triangulate his own methods of transforming today's schools. Frank Rudnesky, Principal, Bellhaven Middle School, Linwood, NJ. The Five Essentials of Organizational Excellence offers and explains what every administrator should know about collaborative leadership and the benefits for student achievement. Nancy Noeske, President and CEO, PROACT Search, Inc. Redefine leadership and engineer improved student achievement. Educational reform. Organizational development. Increased diversity. Accountability. The climate in education today demands an understanding of key concepts. More important, educators beg for answers to important underlying questions: How can we reform education in order to meet the needs of an increasingly diverse student population? How can we develop an alliance that holds itself accountable to the success and failure of every school, every student? This guide leads you on a path of surprising answers and unorthodox solutions to the problems facing schools today. The Five Essentials of Organizational Excellence explores the necessity for building strong relationships among administrators, teachers, parents and the community by planning strategically. Benchmarking for excellence. Leading collaboratively. Engaging the community. Governing by standards. Leading a school to excellence involves more than just the principal; every member of the community must be involved in order to make a difference in a school's success.

Essentials of Organisational Behaviour Laurie J. Mullins, 2008 The underlying theme of Essentials of Management and Organisational Behaviour is the need for organisational effectiveness and the importance of the role of management as an integrating activity.
