## Questions to consider...

- What words are used to describe the watertower? Why do you think Gary Crew used these words to describe the watertower?
- Gary Crew says that the tower "casts a shadow" over Preston. What might this symbolise?
- What is unusual about the orientation of the book? Why do you think Gary Crew and Steven Woolman chose to orientate the book on the side like this?
- What does the watertower look like? Have you seen anything which looks like this before?
- Why do you think no one in Preston can remember where the watertower came from?
- What other signs are there that the watertower has been in Preston for a very long time?
- Look at the angle of the watertower in the illustration by Steven Woolman. He has painted the watertower from below, with the tower standing starkly against the sky. Why do you think he chose to paint the watertower like this? What does he want us to think or feel?
